

VOL. VIII. NO. 93.

SANTA ANA, CALIFORNIA. FRIDAY EVENING, MARCH 21, 1913.

50 CENTS PER MONTH

## BLIZZARDS IN THE MIDDLE WEST

Heavy Snow Falls In Wisconsin, Iowa and Illinois; Wire and Rail Traffic Suffers

### SCORE OF PEOPLE HURT IN STORM AT CHICAGO

All States West of Montana and West of Appalachians Involved In Storm

CHICAGO, March 21.—More than thirty people are dead and five hundred injured, according to the latest storm reports today, collected from various sources where the telegraph wires still reach. Ninety per cent of the wires are down, including practically all to the Pacific coast. The crop damage in the Middle West will reach two and a half million dollars.

**FRIGHTFUL STORMS SWEEPING OVER MIDDLE WEST SECTION**  
CHICAGO, March 21.—Terrific blizzards prevail throughout the Middle West, with heavy snow falls in Wisconsin, Illinois and Iowa. Wire communication is already demoralized, and rail transportation is threatened.

A score of people were hurt in the storm here. John Frederico was blown from a locomotive tender and was fatally hurt. All trains are hours late.

Reports indicate that the blizzards are sweeping every state east of Montana and west of the Appalachians. Twenty states are in the grip of the storm. Crop damages will aggregate millions. The Dakotas, Minnesota, Iowa, Wisconsin, Illinois and Nebraska are storm-bound, many sections being totally isolated.

### BLIZZARD WEATHER PREVAILS IN MOUNTAIN STATES

DENVER, March 21.—One of the severest blizzards of the winter is raging in Colorado and the Rocky Mountain states today.

Snow and a high wind, with the temperature falling steadily produced blizzard conditions yesterday.

The cold was general over Colorado, Wyoming, New Mexico, Utah and Arizona. A forecast for increased cold today was realized for Colorado, Northern and Southeastern New Mexico, Northeast Arizona and Northeast Utah.

### SOUTH SUFFERS—MANY DEAD; PROPERTY DAMAGE GREAT

MEMPHIS, March 21.—Twelve are dead and two hundred were injured, many fatally, in a tornado sweeping Arkansas and Missouri, razing several villages.

Four are dead and fifty injured at Hoxie, Ark., the town being practically destroyed. Seven are dead and one hundred injured at Poplar Bluff, Mo., and one is dead and ten are hurt at Walnut Ridge, Ark.

### CYCLONE KILLS 5; 30 HURT; AND SALINE, LA., DEMOLISHED

SHREVEPORT, La., March 21.—Five were killed and thirty injured in a cyclone almost totally destroying the village of Saline, fifty miles from Shreveport. Sixty buildings were demolished. The town had a population of 200. A relief train has started for the scene.

### INDIANA STORM-SWEPT—DEATHS ARE REPORTED

INDIANAPOLIS, March 21.—Every section of Indiana is swept by the worst storm of the winter. O. Vice, a cab driver, was killed by a falling roof. A score have been injured in a gale here.

The Methodist church at Harmony, the Grant county courthouse at Marion and the opera house at Greenfield were wrecked.

Henry Walters was killed at Lafayette by a heavy sign dislodged during the storm. Several deaths from cold have been reported in the surrounding country, and many injured.

### SEAMEN LOST WHEN FISHING TUG GOES DOWN

MILWAUKEE, Wis., March 21.—The fishing tug, Elsie B., with her owner and three seamen, was lost in the storm raging over Lake Michigan last night. Rescue tugs today failed to find any trace of the Elsie B., and it is believed all perished.

### MILLION DAMAGE IN EAST ARKANSAS—FRUIT SUFFERED

MEMPHIS, March 21.—Meager reports of last night's storm in Eastern Arkansas indicate that the property damage will reach a million dollars. The Ozark mountain fruit district suffered heavily.

### 80-Mile Gale Sweeps Michigan

DETROIT, Mich., March 21.—One fatality is already reported in the eighty-mile gale sweeping Michigan, with heavy property damage. Wires are prostrated. Many were hurt here.

## Girl's Fondness For Gay Life Led To Death's Door

LOS ANGELES, March 21.—Because she did not have pretty clothes and jewels like her friends, Clara Julian, aged 17, daughter of an Eastlake Park gardener, attempted suicide by swallowing chloroform. After her life was saved by receiving hospital physicians, who declare she is the most beautiful girl ever brought there, she sobbed out her story.

"I loved pretty clothes, jewelry, music and good times," she said. "I could not have them at home because there are too many of us, so I went out in the world to find them. One night I came home and found my mother waiting for me, with a juvenile court officer."

The girl then said she was put on probation and "tried to do better," but her companions would not leave her alone. She now declares that the bright lights have forever lost their appeal to her.

## Bulletins of News

Hot from the wire up to 3:30 p. m.

### THE WEATHER

Fair tonight and Saturday; light northwest winds.

### Long Beach Opens Its First Free Market

LONG BEACH, March 21.—Today will be a red-letter day in the history of Long Beach, its first free market being opened with appropriate ceremonies in the presence of prominent residents and officials, and a score or more of interested visitors from Los Angeles.

### Imperial Valley Plans For Good Road System

EL CENTRO, March 21.—Improved road conditions in Imperial Valley have been a subject for discussion for some time. Several miles of road will be rolled and oiled between Dixieland and Coyote Wells. A twelve-ton gasoline roller has been purchased by the county supervisors for this purpose.

### Redlands Begins Clean-Up Campaign

REDLANDS, March 21.—Health Commissioner Ide has started a campaign for a general clean-up of the city about April 1, the board of health for two years having set certain dates for general spring and fall clean-ups, when every property owner is urged to clean up his premises and the streets and alleys, the city using several teams for hauling away any debris.

### Wreck Warning Given to Atlantic Liner Captains

LONDON, March 21.—A warning to captains of Atlantic liners has been issued from Queenstown, where the Franconia arrived and reported sighting a ship's spar floating upright and several feet out of the water in the path of liners. The spar is believed to be attached to a submerged wreck.

### Washington Legislates Against Trading Stamps

OLYMPIA, Wash., March 21.—Governor Lister has signed a bill designed to put trading stamp companies out of business by imposing a prohibitory license of \$6000 a year in each county of the state.

### \$200,000 in Gold Bullion Reaches 'Frieco' by Steamer

SAN FRANCISCO, March 21.—The Pacific Mail steamer Acapulco, which arrived yesterday from Panama via Central American and Mexican ports, brought more than \$200,000 in bullion from Mazatlan. The shipment was made by steamer owing to demoralized railroad conditions along the western coast of Mexico.

### TEAMSTERS STRIKE FOR \$2.75 PER DAY IN TACOMA

TACOMA, March 21.—Demanding a wage increase and union recognition, Tacoma Truck company teamsters struck today. They demand \$2.75 daily and time and a half after 6 p. m. They have threatened a general teamsters' strike here unless their demands are met.

### JEAN BARTHOU ACCEPTS FRENCH PREMIERSHIP

PARIS, March 21.—Jean Barthou today accepted the French premiership, succeeding Aristide Briand, who with his cabinet resigned Wednesday after holding office for one month.

when the new Hotel Charlevoix, under construction, was unroofed.

Heavy damage is reported at Ypsilanti, Niles, Battle Creek, Adrian, Ann Arbor and Kalamazoo. At Mt. Clemens a fire followed the gale and several buildings were burned.

### 60-Mile Gale in Cleveland

CLEVELAND, O., March 21.—This city was rocked by a sixty-mile gale. Many residences and business buildings have been unroofed, and others destroyed. Street car traffic is practically at a standstill.

The storm caused a smokestack to collapse at Tiffin, killing William Hicks and injuring six people.

## CANANEA MAY BE NEXT BATTLE CENTER

Battle Expected There as Rebels Defer Attack on Naco For Present

### WOMEN AND CHILDREN FLEE IN AUTOMOBILES

Rebel Leaders Combine Forces For Cananea Fight—Gen. Trevino Resigns

DOUGLAS, Ariz., March 21.—American women and children are being taken from Cananea, Sonora, today in automobiles, as the result of fear of a threatened attack by the rebels. The combined forces of Calles, Cabral, Bracamonte and Dieguez are now at Del Rio, ten miles north of Cananea, having abandoned for the present their prospective attack on Naco.

Colonel Moreno, with 300 federals, will attempt to hold Cananea against a much superior force.

### GEN. TREVINO RESIGNS AS GOVERNOR OF NUEVO LEON

MONTEREY, Mex., March 21.—Gen. Geronimo Trevino, has resigned as governor of the state of Nuevo Leon, without explanation. The legislature will convene Monday to act on his resignation.

General Trevino's loyalty to the constituted government of Mexico has never been doubted. In the absence of other reasons, his resignation at this moment is taken as indicating merely lack of sympathy with Provisional President Huerta.

The safety of his city from attacks by the rebels has been assured by the arrival of a strong force of federal troops from Saltillo.

## MISSING HORSE AND BUGGY ARE FOUND

Proprietor Williams of the Pony Stables has found his horse and buggy which was rented last night by an unknown Mexican, and although he has not captured that individual he has two other Mexicans under arrest, because they were in charge of the outfit when it was found. The animal is safe in his corral. Williams is still looking for the man who hired the rig. He has learned that this individual is reported to have become intoxicated and permitted the other two fellows to take the horse and vehicle. The names of the latter are not yet known as they are said to be suffering from booze. The horse bears evidences of having been hard driven. The men and rig were found on West First street.

## ORANGE ATTORNEY IS BACK TO FIRST LOVE

ORANGE, March 21.—Fleetwood Bell, a well known attorney, who moved from here about five months ago and went to Exeter, Tulare county, Cal., has disposed of his possessions in that section and returned to Orange county. He has also signaled his return by purchasing the James Nickels ranch at Olive, of twelve acres, for \$16,000.

### NORDICA'S HUSBAND IN BAD

With Three Others Geo. W. Young Is Indicted for Alleged Conspiracy

JERSEY CITY, March 21.—George W. Young, husband of Mme. Nordica; his brother, Alvin Young; W. H. Cooper and S. J. Van Slyke have been indicted for alleged conspiracy. The accused controlled the Port au Prince Realty company, a widely advertised concern, and it is alleged they defrauded several persons.

The specific charge against the Youngs is that property supposedly owned by the company was sold as being free and clear when, it is asserted, there was a mortgage on it for \$300,000, held by George Warner of the Windsor Trust company.

### COST MEXICAN \$20 FOR GETTING GAY

EL MODENA, March 21.—Francisco Ciclido took the leading part in a row here yesterday, and in consequence he is today suffering from a \$20 shock inflicted by Justice Fullerton at Orange. Ciclido was arrested and this morning convicted of disturbing the peace.

Santa Ana Painless Dentists, 102 1/2 East Fourth Street. Main 253.

## FLIGHT SLEW 1, HURT MANY

Broke Loose From Towing Car on Summit of Steep Grade In San Francisco

### WRECKED 2 OTHER CARS BEFORE FLIGHT ENDED

Accident Occurred in Darkness of Early Dawn—Carman Is Victim of Mad Dash

SAN FRANCISCO, Mar. 21.—The killing of one and injuring of half a dozen people or more occurred today when a Geary street car, in tow of an Ellis street car, broke away at the top of a steep grade early this morning, plunging madly down the hill and wrecking two other cars before it stopped.

Carl Schutts, a carman, was killed when the runaway crashed headlong into an approaching Ellis street car, whose motorman could not see it in darkness, and many passengers were hurt.

Carrying this car with it, the railway juggernaut continued its wild race until both crashed into still another Ellis street car which had been halted and emptied by the crew.

Police Sergeant John Collins undoubtedly saved many lives by leaping in an automobile and preceding the car down the hill at a breakneck speed, shouting warning to pedestrians and drivers of vehicles. It is estimated that Collins took the hill at the excess of a mile a minute.

## MANUFACTURERS OF BEET SUGAR AT MEET

Santa Ana Sugar Factory Men Join In Forming Pacific States Organization

Gen. F. H. Case, F. B. Case, L. A. Collier, H. W. Hinz, W. G. Potter, of the Southern California Sugar company; A. J. Crookshank and F. O. Egge of the Co-operative Sugar company, were Santa Ana representatives who attended a Los Angeles meeting of beet sugar manufacturers held in the Hotel Alexandria yesterday. At this meeting an organization was formed under the title of the Pacific Coast Beet Sugar association, which includes manufacturers of the purely coast states and of Utah and Colorado, manufacturers from each of the latter states being present.

John L. Howard of San Francisco, representing the Union Sugar and Alameda Sugar companies, was chosen president, with Robert Oxnard, representing the American Beet Sugar company, as secretary. Fifty manufacturers were at the meeting, representing fourteen factories.

The object of the organization is to secure an interchange of ideas on the making of beet sugar, how to achieve the best results in beet growing and for the general development and advance of the beet sugar industry. The fixing of prices is not one of the objects of the association but merely the general betterment of the industry.

### BOY'S RIGHT LEG BROKEN AT PLAY

While at play on Fourth street at Sycamore shortly before 5 o'clock yesterday afternoon, Joe Palacios, aged 9 years, was upset by a playmate and his right leg broken. He was carried to Dr. Ball's office where the fractured limb was reset and then he was taken to his home.

"Mix-Feed" is cheaper and more economical than any other feed on the market, because it costs less and goes farther. Only \$1.35 per 80-pound sack. Olive Mills.

## MOST ORANGES BEING SHIPPED TO EASTERN MARKETS FROM HERE

One Section of Orange County Alone Sends Out More Carloads During Past Week Than All Riverside District

Orange shipments are showing a gradual increase. Reports received by the Register from most of the growers and packers in Orange county today, show a decided improvement in the number of cars shipped compared with preceding weeks. Other sections of the southland also report an improvement in the general situation as well as an increase in the quantity of the oranges shipped. Orange county appears to be the banner county in the number of cars sent out. The total shipments last week in the Riverside district was 22 cars, while one packing house in this county sent out 23 carloads in the same period. This was the record made by the Placentia Orange Growers' Association, shipping from its two houses, one at Placentia and the other at Fullerton. This week the same association will ship 20 carloads of the best valued oranges to be found in the market.

"The market is good," said the manager to a Register correspondent this morning. "The indications are that it will continue good. I can't overhand tell to a car how many oranges we have shipped thus far this season, but we are certainly close up to the one hundred mark."

The Santa Ana packers have been going very little in the orange shipping line this week. Smith & Miner didn't send out a car, and Gowen & Willard sent out only one.

**Riverside Shipments**  
There were 22 cars of oranges shipped from the Riverside district last week according to the Press of that city, probably a larger output than from any other orange growing

district in Southern California. This fruit was carefully selected and is of such quality that good prices will no doubt be realized. Most of the sales of Riverside fruit this month have been at very satisfactory figures. The shipments of oranges and lemons now total 701 cars.

Some fruit will go forward this week, but the shipments will not be as heavy as last week. The National Orange company, which has been one of the largest shippers, is not packing this week, but has some more fruit to go forward.

**Season's Shipments**  
The report of carload shipments from Riverside for the season of 1912-13 now stands as follows:

Oranges Lemons	
November 1-9	12
November 11-16	4
November 18-23	0
November 25-30	9
December 1-7	55
December 9-14	58
December 16-21	35
December 23-28	41
December 30-31	24
January 1-4	48
January 6-11	61
January 13-18	83
January 20-25	62
January 27-Feb. 1	49
February 3-8	36
February 10-15	22
February 17-22	14
February 24-28	9
March 1-8	17
March 10-15	22
Total	669
Total shipments citrus fruit to date	701 cars

**HALF CENT DUTY U. S. SURGEONS ON LEMONS IS MUM TODAY AS REPORTED TO CURE**

Duty on Wines Slightly Raised; Will Give Report Tomorrow; Deep Cut Made on All Citrus Fruits; Serum Administered Today In Monrovia

WASHINGTON, March 21.—The first conclusions of the federal health authorities on the Dr. Friedmann tuberculosis cure will be made public in an official statement tomorrow. Federal Surgeon Rucker today refused to forecast what the report will be.

Despite the precautions taken by the members of the ways and means committee to keep any of the provisions of the new bill from leaking to the public, the correspondents have obtained definite information how California has fared in the new bill.

### WAR SECRETARY GARRISON FAVORS WAR PREPARATION

WASHINGTON, March 21.—In an official statement of policy, Secretary of War Garrison has declared in favor of immediate preparation of the military forces of the United States to meet any emergency, holding a discussion of disarmament by international agreement to be entirely out of place in the consideration of what the United States government should do to meet existing conditions. The secretary proposed retention of the regular army at its present strength, improvement of the National Guard and creation of a reserve.

Declaring that he was not urging militarism, Mr. Garrison said the leading men in the United States army do not advocate militarism, which means the existence of a large standing army, but precisely the reverse—a small, compact, but thoroughly efficient army. The most rabid anti-militarists, he said, could not seriously suggest that the present army of 90,000 to look after a population of more than 110,000,000 in the United States and the insular possessions had any hint of militarism in it.

**POPE GRAVELY ILL; HEART ATTACK IS GREATLY FEARED**

ROME, March 21.—Vatican physicians' admitted today that they are gravely concerned that a heart attack may come to the Pope before he thoroughly recovers from his present weakness. It is reported that the real gravity of the Pope's condition has not been announced.

**REMEMBER YOUR FRIENDS AT EASTER**

—We have a display of Easter cards and novelties which in quality is not excelled by anything in Los Angeles. They are reasonable in price—from 1c up. Special things for the children. The Summer Shop, 117 W. Fourth.

## EUROPE ONCE MORE NEAR WAR

German Historian Predicts General Conflict as Immediate

### DECLARES RUSSIA IS FIREBRAND OF EUROPE

Austria Prepares Ultimatum For Montenegro; Boundary Dispute Fans Flame

BERLIN, March 21.—That a general war is an immediate danger, with Russia as Europe's fire brand, was the declaration today to the United Press by Prof. Hans Delbruck, the foremost German historian. He declares Austria is at her last ditch, and can concede no more, that Germany has appropriated \$250,000,000 for defense to avert national extinction.

"The gravity of the terrible danger confronting Germany cannot be exaggerated," said Delbruck. "Under the spur of the pan-slavic movement, Russia is pursuing a relentless policy that must lead to war unless curbed. She is playing a strong hand in the Balkans. She is stiffening Bulgaria and Serbia against making reasonable terms with Turkey, and is also stiffening Rumania against Rumania's demands, threatening Rumania if she dares to go to war with Bulgaria. Lastly, through the support of Serbia and Montenegro, she is forcing Austria to the limit of concessions. Germany's position is always dangerous geographically, and is now dangerous politically. Russia is endangering the world's peace. St. Petersburg is the danger point. A war between Bulgaria and Rumania means a war of all Europe."

### AUSTRIA PREPARING ULTIMATUM FOR MONTENEGRO

VIENNA, March 21.—Austria is preparing an ultimatum for Montenegro which contains drastic provisions as a result of Montenegro's recent unsatisfactory reply to Austria's note regarding the situation at Scutari. While diplomats refuse to be quoted, it is apparent tonight that all are alarmed over the new turn in conditions. The renewal of the boundary dispute between Rumania and Bulgaria is adding to the unsettled situation. Laymen profess to see a Russian motive behind the activities.

### Turks Sink Greek Gunboats

LONDON, March 21.—The Turkish cruiser Hamidieh today sunk two Greek gunboats.

## KICKING HORSE DRAGS DOYLE

Son of Dr. Doyle Escaped Serious Injury In Accident This Afternoon

Horse Shied, Hit Rig and Quickly Overtaken Buggy on Paved Street

Irving Doyle, son of Dr. Doyle, was turned out of a buggy and dragged by a kicking horse this afternoon. He had a large area of skin on the back of his right hand taken away, and some skin on his knees is missing. Even at that he got off easy, for he stood a chance of being carried off on a stretcher.

Doyle was driving a horse south on Main between Second and Third. His horse shied at a man stepping from the sidewalk, and the buggy struck the rear of a rig hitched in front of Raymond's store. In a flash, Doyle's horse was running and kicking. The buggy turned over. Doyle held to the lines and was dragged several yards after the horse broke loose from the buggy, before he let go.

The only damage to the buggy was in the breaking of the shafts. After picking himself up, Doyle ran down the street and soon returned with his horse which had been caught for him.

### BAD CHECK CASE

Complaint has been lodged with the sheriff's office that a man named Jack Watson is wanted in Orange on the charge of having passed bad checks.

## YOUNG MAN DENIES THAT HE IS MINOR

City Marshal Perplexed by an  
Arrest for Alleged Pool-  
room Violation

A knotty problem has been left with City Marshal Jernigan to wrestle with, since the father of Albert Emmitt, both residents of the San Joaquin ranch, complained that his son had been frequenting a poolroom and, withstanding the alleged fact that his offspring is a minor. Officer Gilbert arrested the young man last night at his father's instigation, but upon the vigorous representations of the young man that he is not a minor, he was permitted to go home on his own recognizance, to appear this afternoon before City Recorder Willson.

Marshal Jernigan admits that the case is a bit perplexing. "The boy insists that he is twenty-one years of age," said the marshal. "His father says he isn't. The old gentleman complains and so does the boy."

Judge Willson said that there are few complaints made relative to minors visiting poolrooms.

The Rose Maiden at Elks Hall.

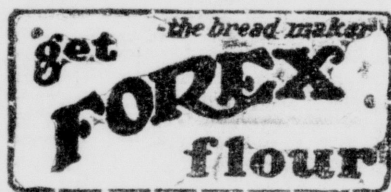

### Get It Done Right

Why? Simply because it pays. Every auto man knows that cheap repairing is the most expensive in the end. Get It Done Right is

### The Only Way

also the best and least expensive way in the long run. Our regular customers know that we do repairing right—that is why they come back to us themselves and recommend us to their friends. All work guaranteed.

CONGDON MOTOR CAR COMPANY.  
615 North Main St.

## WANTED AT ONCE --TWELVE PEOPLE

We are opening permanent offices in Santa Ana, Thursday, March 27th, and we want twelve people down and out TO TREAT FREE OF CHARGE. These cases must be well known in Santa Ana as patients, who have exhausted every effort to find a cure for their diseases and are pronounced "so-called" incurable cases.

We will furnish doctor's care and medicine to these twelve patients without charge—this is to demonstrate to the people of Santa Ana and community that we bring to your city and county a treatment that is the Greatest Assistant to nature in the elimination of disease from the human body that has ever been discovered. This offer open ten days only—act quickly.

This treatment is worth to each patient from \$200.00 to \$300.00 if patient had to pay for the same and all we ask in return for the treatment is a sworn statement, of the patient WHEN CURED, for publication in your daily papers.

To prove to the suffering and afflicted of your city the truth of every claim we make for our Treatment we ask these patients to bring a 4 oz. bottle of urine from a receptacle in which has been stored the urine passed during the night and early morning, this is to enable our physicians to diagnose and fully understand the nature of your disease.

Our Santa Ana offices are under the skilled direction and management of M. St. W. Iseman M. D. of Washington, D. C., who has come to make his home in your beautiful city. His opinion of your case, worth from \$25.00 to \$100.00, for the doctor is known as an expert in medicine, costs you nothing.

The diseases we successfully treat are rheumatism, stomach troubles, liver trouble and constipation, Bright's disease and diabetes. When we make the statement that Bright's Disease and Diabetes have been cured by our treatment numbers of people are living who were cured many years ago and are in good health today. You can see them, talk with them and learn for yourself.

We also treat catarrh of system or any form of bladder trouble and all kidney trouble and blood disorders no matter from what cause. We also treat eczema, old sores that will not heal, certain female troubles without knife, also piles and fistula without the knife; granulated eyelids, epileptic fits, nervous disorders.

We have many patients who will tell you that they were cured by our treatment who had given up all hope of being cured. We are not Birds of Passage nor our treatment and remedy newly discovered for we have been established over ten years and have proven the truth of our claims to cure hopeless cases of disease in every locality where we have established our offices.

We have our main offices in Long Beach, Calif. We also have offices in Phoenix, Arizona, and San Antonio, Texas, and are reliable in every sense of the word.

We accept no cases for treatment, promising them to be cured, that we believe we cannot cure. We practice no deception in our offices and give our opinions only to the prospect of a cure in your case after a rigid and careful examination. We administer no poisonous drugs, our own remedy formulated from the laboratory of nature, being in the majority of cases all sufficient to effect a cure. We will also accept ten cases of any disease, charging only the cost of the medicine, which will not exceed \$10.00 per month until cured and ten patients at the cost of the remedy for one month, this to demonstrate to you that in one month your disease may be cured.

There will be no charge for examinations and we reserve the right to determine whether we will or will not accept your case.

A word more—do not look upon this advertisement lightly, as when we are in your city for a period of time and you have seen those cured of their disease whom you know were in a bad condition, you will then regret you did not avail yourself of this splendid offer.

These offers are open for ten days only and will not be given again.

VITO NUEVO CONCENTRATED MINERAL WATER CO.

Santa Ana Offices: Central Bldg., opposite City Hall, Rooms 4 and 5

Office hours: 9 to 12 a. m. and 7:30 to 5:30 and 7 to 8 p. m.

## :- Tustin Correspondence :-

### SOCIETY AND CLUBS

**To Entertain Class**  
Mrs. W. L. Shatto, teacher of the Young People's class of the Advent Christian church Sunday school, will entertain the class at her home next Saturday night.

**W. C. T. U. at Shatto Home**  
The Tustin W.C.T.U. will meet at the home of Mrs. W. L. Shatto next Thursday afternoon. The executive committee of the W.C.T.U. met with Mrs. Rawlings Wednesday afternoon and arranged the program for the year.

**Mrs. Moores to Go East**  
Mrs. Sarah Moores, who has been making her home with her daughters, Mrs. Fred Currier and Mrs. E. J. Cranston, will leave Tuesday for Minneapolis to visit another daughter, Mrs. J. A. Gutzler, and son, E. E. Moores, of that city. In the summer Mrs. Moores will visit another son, Prof. E. J. Moores, at Seattle, Wash. She expects to return to Tustin in the fall. Her friends here regret to lose her from their midst for so many months, but hope she will get all the enjoyment possible out of her trip East, and return safely to make her home here.

**Literature Section**  
The Tustin Literature Section met last Tuesday afternoon with Mrs. Margaret Nealley in Santa Ana. There were fifteen members present, and the study and discussion of two very interesting articles in "Current Opinion" were taken up. These articles were: "Dramatizing the Bible" and "The New Mistress of the White House," which proved to be highly interesting to the class.

**Meeting of Mission Society**  
The Missionary Society of the Presbyterian church, was held at the church Thursday afternoon.

Devotional exercises were led by Mrs. Fred Prebel, consisting of scripture reading, prayer and singing. After the reading of minutes of last meeting a beautiful solo was sung by Mrs. Geo. B. Hockman, entitled "Christ is All." She was accompanied by Mrs. Chas. Willard.

Most of the ladies were present who had visited the great gathering of missionary delegates in Los Angeles on Wednesday, and reports from these were called for. Mrs. L. A. Cock responded and read some very interesting notes on the Los Angeles meeting. The most important and the subject enlisting intense interest of the ladies was regarding the immigrants who are coming to the United States and who will come to this part of the country when the Panama canal is open. The burning question is how they shall be educated and Christianized. Following up the suggestion of Mrs. Cock, several of the other ladies grew enthusiastic and told of the things which interested them most in the Los Angeles meeting and were listened to with eager desire for information by

all those who had not been so fortunate as to be able to attend in the new \$25,000 building for the Spanish school in Los Angeles. The Tustin society has pledged to furnish a room and will probably give a scholarship in the school.

A report from Mrs. Pollard, who has not yet returned, was read by Mrs. H. A. Allen. After the reading of reports a trio was sung by Mrs. E. J. Cranston, Miss Alice Phinney and Miss C. S. Williams.

The meeting closed with singing and prayer.

**The Tustin "Y"**  
A meeting of the Tustin "Y" was held at the Thorman home last Friday night. About forty-five young people were present. The speaker for the evening was Mr. Hamilton, county secretary of the Y.M.C.A.

An election of officers was held, and the following were elected to serve during the coming year: President, Franklin Griset; vice president, Geo. Prather. Inez Phinney was elected secretary, Edith Rawlings, corresponding secretary and Gertrude Lambert, treasurer.

The address by Mrs. Thompson was pronounced fine by all the young people, and the social hour with an accompaniment of home-made candy, was enjoyed to the fullest extent.

**Stearns Whist Party**  
Perhaps the most enjoyable social function of St. Patrick's Day in Tustin was that of the whist party given last Saturday night by Mr. and Mrs. Frank Stearns on Second and A streets. The rooms were beautifully decorated with smilax and white blossoms. The score cards were in keeping with the occasion, being of St. Patrick's Day design. This fascinating game proved highly interesting to all present and the ladies' first prize was won by Mrs. Arthur Hoefler, the consolation prize by Mrs. John Keiser; John Keiser, the first gentleman's prize, and Forest Collar the consolation.

At a late hour refreshments were served, consisting of a two course supper. Musical numbers were rendered by Mrs. Arthur Hoefler, Harry Kendrick and Miss Edith Stearns. The list of invited guests included Mr. and Mrs. John Keiser, Mr. and Mrs. E. L. Mount, Mr. and Mrs. R. O. Stearns, Mr. and Mrs. Geo. Lacey, Mr. and Mrs. Arthur Hoefler, Misses Ora Young, Edith, Eva and Gladys Stearns, Messrs. Forest Collar, Fenlon Matthews and Clyde Deardorff. The host and hostess were gratified at the evident genuine enjoyment of their guests during the whole evening.

**Eighth Grade Picnic**  
A merry party composed of the eighth grade boys and girls, went on a hayride last Saturday to Orange County Park and Santa Ana Canyon. Bright and early in the morning they started, about forty besides the teachers. The girls furnished the dinner and the boys the teams and the ice cream. One or two of the seventh grade boys went along, too. That picnic dinner tasted good and a number of fine sports were enjoyed. They arrived home after 6 o'clock in the evening.

**Coreopsis Club**  
The meeting of the Coreopsis Club was held Wednesday afternoon with Mrs. J. S. House. There was fancy work in varieties to suit the tastes of all the members, from crocheted baby things to the daintiest embroidered dollies and centerpieces. Those present were Mesdames Anna Schwartz, Hattie Schwartz, Frank Stearns, John Keiser, W. J. Stearns, Ed Smith, Mann, Mount, Artz and Hart, and Misses Eva and Edith Stearns.

The Misses Stearns furnished the music for the occasion, and red rose decorations were a fitting accompaniment to the delicious chocolate with whipped cream, sandwiches and cake, which were served. The club will hold its next meeting with Mrs. Lambert.

**Attended Mission Meeting**  
A party of ten ladies from Tustin took the early morning train for Los Angeles Wednesday to attend the thirtieth annual Presbyterian Women's Home and Foreign Missionary Society meeting held at the Emmanuel Presbyterian church of that city.

The ladies were Mesdames L. A. Cock, J. W. McCullough, Chas. Willard, E. W. Blew, Chas. Eells, Chas. H. Hockman, G. W. Pollard, W. L. Leiby and Misses Prebel, Drake and C. S. Williams.

**"Good Roads" Surveyed**  
The county surveyors were busy in Tustin Thursday as a start for the good roads promised. It is hoped that this important work will be followed up quickly, and that the people will soon be enjoying the full fruition of their hopes for fine roads.

### PERSONALS

Mr. and Mrs. J. C. McGee visited friends in Tustin last Wednesday and Thursday.

The stork visited Mr. and Mrs. Roy I. Smith this week, leaving a little daughter.

Miss Lizzie Wiley is much improved after a long sick spell and is able to be out.

Miss Etta-Ayres of Los Angeles is visiting Mrs. C. P. Marshall.

Miss Gertrude Utt is at home for a short vacation.

John Squires, accompanied by Rev. R. B. Shannon and family, took an auto trip to Newport Beach Thursday.

Mrs. Hettie Fields of Los Angeles has been visiting Mrs. Sarah Brown, and they were entertained at a dinner party by Mrs. W. L. Shatto on Monday.

Mrs. E. F. Vahlenburg and Mrs. Emma Hubbard spent the day at Newport Beach Tuesday.

Miss Hazel Wiley is spending her vacation with her grandmother at Downey.

Mr. and Mrs. Geo. Prather and Mr. and Mrs. John Holt helped to celebrate the twenty-first wedding anniversary of Mr. and Mrs. Louis Findeisen, Wednesday, March 19.

Mr. and Mrs. Wm. Eby of Los Angeles visited Mr. and Mrs. Geo. Prather this week.

Mrs. E. P. Vaughn, Mrs. M. C. Petrie and Mrs. C. A. Petrie, formerly from Waterloo, Iowa, now of Long Beach, spent several days with Mrs. A. E. Sharp this week.

Miss Ethel Doherty, who has been in Los Angeles for the past week, will be joined by Miss Louise Long Saturday and they will both spend the remaining vacation week at Balboa Beach.

Miss Clara Macomber came down from Ocean Park, where she is teaching, to spend the week-end with her mother in Tustin.

C. O. Artz and S. E. Tingley took an auto ride to Hemet Wednesday.

Mr. and Mrs. Harry Kendrick have moved to the property lately vacated by Wm. McLaughlin and family.

Mrs. George B. Hockman of Ontario, who has been visiting her sister, Mrs. Nordstrom, will leave tomorrow for a visit to Long Beach.

Miss Dorothy Jones is spending the Easter vacation with her aunt in San Diego. She went down last Monday with Mrs. F. H. Spence, who has gone to make her future home at Ysidro, Cal.

Master Willett Phinney was perhaps the first person in this part of the country to receive some of the new five-cent pieces from Washington. They were sent to him immediately upon their issuance, by his uncle, A. H. Hulbert, paying teller in the treasury department.

The friends of Miss Winnie Crawford are pleased to know that she has returned from a long visit of the greater part of the winter with her sister in Tulare county. Miss Crawford enjoyed her stay in Tulare immensely and comes back in fine health.

**Anxious About Nogales Home**  
Two teachers in the Tustin schools, Misses Ethel and Olive Doherty, whose home is in Nogales, Arizona, have necessarily been watching the news items from that section with anxiety. Their home is situated about two blocks from the customs house. Nothing serious has happened as yet, except on one occasion during the fighting two shells struck the house, but did no injury to the family.

**Boys' Patrol Organized**  
The Tustin Boys' Patrol is the name of an organization just formed, and is composed of about ten boys between the ages of twelve and fifteen years belonging to Wm. Jones' Sunday school class and under his leadership. They will take up some of the features of the Boy Scouts work.

**Measles in Tustin**  
It is the style in Tustin this week among the tiny tots to have the measles. A form of German measles, which has proven to be very light so far, has been going the rounds among the little folks.

**BORN**  
SANGER—To Mr. and Mrs. Perry Sanger of Tustin, a son.

### CHURCH NOTICES

The regular services will be held at the Presbyterian church Sunday morning, Rev. E. W. Blew, pastor. Morning sermon: "The First Easter sermon." Evening subject: "The First Easter Evening."

Special Easter music has been prepared by the choir and the church will be decorated with Easter lilies. Christian Endeavor meeting at 6:30. The Christian Endeavor Expert class will hold examination services in the school house at 2 p. m. Sunday.

**Tustin Advent Christian Church**  
Sunday school at 10 a. m.; preaching, 11 a. m. Subject: "The Resurrection of Christ and Its Importance to the Christian's Hope." 6:30, social service; 7:30, preaching. Subject: "The Devil a Coward." Prayer meeting Wednesday evening at 7:30. Special song service Sunday morning. R. B. Shannon, pastor.

**THICKLY POPULATED**  
Little George had a heavy and rather intractable head of auburn hair which defied his mother's efforts to make it look well groomed. One day, after much brushing, she stopped and said: "Oh, George, I can not make your hair go the right way—it is so thick." George turned quickly and replied: "If you think my hair is thick you just ought to see that boy's across the street—he has the most thickly populated head you ever saw."—Kansas City Star.

Dr. Pearl B. Magill, osteopathic physician, Rooms 1 and 2 Rowley Building, Pacific 956W.

### IN THE JUSTICE COURT

## LOVE LED NEGRO TO PURLOINING THINGS

He Didn't Really Intend to Steal But He Wanted to Furnish House

The official inquiry before Justice Cox into the robberies at the Anaheim residence of Earl D. Gray, occupied practically all the time of the court yesterday, and at 11 o'clock this morning it was resumed. The inquiry began yesterday morning with the examination of Sam Henderson, the negro who was arrested with Will I. Smith on the charge of having burglarized the Earl homeplace, and it ended yesterday afternoon with his being bound over for trial in the superior court. Henderson's bonds were fixed at \$1000.

The negro's alleged devotion to Belle Nettles, the comely negress who charges her stepfather with attempting to poison her, is given in extenuation of his thieving proclivities. He admits that he carried off many of the articles that belong to Earl's wife, and the supposition is that he was collecting the things for housekeeping purposes, which he is said to have had in view. Miss Nettles was also remembered with several pieces of jewelry, so it is alleged, said jewelry also claimed to have been taken from their rightful owner.

Smith's examination was begun late yesterday afternoon and many witnesses were called in behalf of the prosecution. They were Mr. Gray, Phil Germain, John Kellenberger, J. H. Inan, Louis Pitman, J. E. Warren, Mary Nettles, E. R. Kolkow, Bert Kuebler and C. H. H. Parker. The evidence against Smith is not regarded as strong, it is said, and the fact that Henderson admitted his guilt and did not incriminate the other defendant has strengthened this opinion in official circles. The negro was employed by Smith as a man of all work.

Among the witnesses examined this morning was Elizabeth De Witt Morrison, an actress who is in the caste of the "Mission Play" at San Gabriel. Miss Morrison had been a house guest at Smith's and one day she found a large box of perfume which she suspected the negro Henderson had stolen from his mistress, and she took it and placed it in her room, intending later to tell Mr. Smith. The matter slipped her memory until the arrest of the two men, and she came here this morning to explain how the perfume happened to be found in one of the dressers in Smith's house. After weighing the evidence Justice Cox decided that there was really no evidence against Smith, and that while he may have known of the articles being in his house, there was nothing to indicate that he knew Henderson had stolen them. Consequently the charge against Smith was dismissed.

### G. W. Robinson Bound Over

George W. Robinson was taken before Justice Cox yesterday afternoon and after his preliminary examination was held in \$1000 bail for trial. The charge against Robinson is that of passing bogus checks. Testimony was given by Asa Vandermast to the effect that he had cashed a check for Robinson for \$10, and that it had been drawn upon the First National bank and returned marked "no funds;" by N. A. Beale of the First National bank; and Henry Osborn, who testified that he sold Robinson a small bill of goods and gave him \$8.50 in change on a check that wasn't worth anything.

### AT THE COURTHOUSE

## ESTATES OF THE DEAD TO-DAY IN COURT

Probate Proceedings Occupy Attention of Judge West This Morning

There was not a very heavy probate calendar in the superior court this morning, but what there was received prompt attention from Judge West. The cases considered were of the usual variety relating to the estates of persons deceased.

Estate of Clark Dutton, bond of Clysta Dutton in the sum of \$600 as administratrix of the estate, was approved.

Estate of William Dricken, order issued authorizing Caroline Dricken as administratrix to compromise a debt of \$460 for \$200.

Estate of Martin Huarte, petition for letters of administration filed by Mrs. Pilar Huarte and hearing set for April 4.

Estate of I. H. Mathews, decree of final discharge of Ruah A. Pitton as administratrix entered.

Estate of Minnie M. Bentz, bond of Joseph Helmsen as administrator in the sum of \$5000 approved.

Estate of William H. Reed, deposition filed by E. J. Tull of Arapahoe, Neb.

Estate of Sarah J. Oakes, C. C. Bennett appointed administrator.

### Woman Brings Suit

Action has been begun in the superior court by Maud Alice Clay against Bennett Baxter demanding a settlement and the revocation of an agreement entered into with Baxter, which she alleges she was induced to sign by reason of misrepresentations on the part of the defendant. According to the papers in the case the woman sets forth the ownership of about twenty acres of land in Golden Gate tract, Anaheim; that Baxter had made certain representations to her whereby she was induced to allow him to take his residence upon the land and to work the same; and furthermore, that she did as he requested because of his alleged promise to marry her and because he had won her confidence. Attorney F. C. Spencer of Anaheim is attorney for the plaintiff, and Attorney H. C. Head represents the defendant.

### Seeking Divorce

Enid W. Stone has instituted suit for divorce against Charles Lyman Stone.

### Administrator Answer

Public Administrator Winbiger has filed answer to the complaint of Charlie L. Horton who claims an interest in certain land belonging to the estate of the late Lucy J. Brown, and for which estate the public administrator is acting. The answer denies Horton's claims to either full ownership or an undivided half interest in the property in question.

**Luther in Court This Afternoon**  
Walter Luther, the Newport Beach man accused of felonious assault by Cora Kelley, aged 15 years, was arraigned before Judge West in the superior court this afternoon. Luther has been bound over for trial by Justice Cox on the charge made by the girl, who is being held in the Detention Home here.

### Burke vs. Albright

George P. Burke this afternoon filed suit to recover \$1715.32 and interest from William H. Albright on a judgment rendered March 29, 1908.

### Last Chapter to Suit

Final order of condemnation was rendered by Judge West today in favor of the Pacific Electric Railway Company and against Maggie, Timothy and James Kilty in the suit for right of way over the Kilty land for the use of the P. E. extension to Orange. The Kiltys were allowed \$100 for the land and the company paid costs amounting to \$66.00.

### Case Continues

The suit of Mrs. Perrylea Hart against W. S. B. Lawrie to recover \$13 was continued yesterday afternoon until this morning, and as it had not been settled at the regular opening of court for consideration of the probate calendar, it was again continued until this afternoon.

### Action Dismissed

By stipulation on the part of the attorneys on both sides, it has been agreed that the suit of John A. Pirtle against R. L. Hogue et al shall be dismissed.

### Marriage Licenses

John J. Butler, 28, and Fay M. Huie, 29, both of Los Angeles.  
Norwood G. Tichenor, 22, San Diego, and Elsie R. Heywood, 18, Los Angeles.

### T. C. GOULD LOSES JOB AS SECRETARY TO JUDGE

Thomas C. Gould, formerly of Santa Ana, who has for two years past been secretary for Judge Paul McCormick, has been superseded as secretary by James Noel of Department Twelve of the superior court, who will take the \$250 a month position on May 1, when Judge McCormick moves up from the criminal bench to be presiding judge. Mr. Gould, who is a member of the bar, will probably begin the practice of law.

### The Cause of Rheumatism

Stomach trouble, lazy liver and deranged kidneys are the cause of rheumatism. Get your stomach, liver, kidneys and bowels in healthy condition by taking Electric Bitters, and you will not be troubled with the pains of rheumatism. Charles B. Allen, a school principal, of Sylvania, Ga., who suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys, writes: "All remedies failed until I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Maybe your rheumatic pains come from stomach, liver and kidney troubles. Electric Bitters will give you prompt relief. 50c and \$1.00. Recommended by all druggists.—Advertisement.

### THE PROGRESSIVE CAUSE

The standpat press of San Francisco is busily engaged in an endeavor to create the impression that the Progressive leaders in this state—Johnson, Henry, Eshleman, Rowell, Earl, Lissner and others—are at each other's throats over "them offices." The story is told and retold in every possible form, that each of the leaders wants to be Governor or United States Senator, etc., etc.

Of course several of the leading Progressives here mentioned have been and are being considered by the people in connection with the offices of senator and governor, and it is probable that some of these gentlemen may have ambitions coupled with a desire for service that involve these high offices; but we venture the assertion that not a man among them would for one moment put his personal ambition above the Progressive cause, or permit it to engender jealousy or bitterness or strife within the party. We happen to know that the chief concern of the Progressive leaders of this state is to hold the line in California for the Progressive cause; to continue this state in its proud possession of color-bearer for the Progressive hosts of the nation. Of course that will involve, ultimately, the consideration of candidates, but so far other phases of the question are claiming the undivided and devoted and unselfish attention of the party leaders.

Speaking of the Progressive cause, Winston Churchill recently said:

"The Progressive party differs from other great parties which have heretofore existed in this country in that it involves an entire system of government—incidentally, a new system. It does not represent, like the Democratic and Republican parties already existing, merely one set of ideas as to how a form of government, already in operation, should be corrected. "Our opponents say we have attempted, in our platform, to corner the market on everything from Christianity to the latest science. Well, that is true. Christianity is old, but truth itself is progressive, and the progressive movement stands for an interpretation of Christianity nearer than any which has preceded it to that of its founder—Christianity in government. Modern government, human society, in order to represent true brotherhood of man, must be Christian. Since the days of Adam Smith it had been deemed no concern of human society that men and women and children were exploited like cattle for the sake of gain, and flung out on the dump heap when they were worn out. We are learning the lesson at last that what is right may, paradoxically, also be profitable."

In an article in Leslie's Weekly, Governor Hadley of Missouri discusses the problem of "How Shall the Republican Party be Saved?" and suggests that the work of salvation could probably be accomplished by changing the basis of representation in the national convention. And this leads the Riverside Press to say:

"The remedy proposed is entirely inadequate. The reform suggested by Governor Hadley is an important one, but it is only one of the many proposed by the Progressives and they will not be won back to the old party lines by a single palliative of this sort.

"The Progressive program declares for reforms in the system of representation in national convention that will curtail the power of states where the Republican or Progressive vote is a negligible factor, but many other reforms are advocated which are equally important. The Progressives felt with good reason that Roosevelt was cheated out of the nomination by the "steam roller" methods of the Chicago convention and the vote of delegates who represented federal office holders and nothing else; but it is a great mistake to suppose that the Progressive movement represents nothing more than a protest against the conditions of that convention.

"The Republican party as at present organized and led, has not shown itself responsive to the demands of the present for social and industrial, as well as political reform, and that is why a wide gulf exists between Progressives and Republicans. The Progressives are pledged to support the direct primary, the initiative and referendum, the recall, equal suffrage, a minimum wage for women, child labor laws, a practical and effective regulation of corporations; and the last Republican national convention showed no disposition to regard the most of these matters as more than the 'fads' of a few 'cranks.' Not until there is

## ANALYSIS OF THE REDISTRICTING OF THE COUNTY PROPOSITION

FROM THE ORANGE POST.

Redistricting the County

Considerable stir is being made in the northwest part of the county over the question of changing the supervisory districts. Because the Third district has outgrown the other districts, some of the people over there talk as if the county was entitled to another supervisor to be given to that district. Others over there talk as if two of the five supervisors should be given to that territory and the rest of the county should be distributed among the three other supervisors. A conference of some of the most active workers in that field was held the other day with the supervisors, and, strange to say, they would not hear to any suggestions from the supervisors on the subject. Their plan of redistricting must be adopted or none at all.

Unfortunately for the success of such arbitrary action, the law places the authority for redistricting the county in the board of supervisors. The number of supervisors is fixed at five and consequently the number of districts must be five. It requires an agreement of two-thirds of the board to make changes, which would require four out of five to assent. This does not mean that four supervisors have a right to refuse to make any changes; it means that four shall support the changes when made. There is another provision of the law which requires that the district shall be made or kept as nearly equal in population as may be. The board is also required to establish as many election precincts in the county as the number of votes polled at any one

precinct not more than two hundred. A fair inference from these provisions of the law is that it is the duty of the board of supervisors (not of any of the other citizens) to redistrict the county as often as may be necessary to make the precincts and supervisory districts conform to the law. The only limitations are that the work cannot be done within ninety days next preceding a general election, and that the lines cannot be so run as to cut a supervisor out of the district that he represents. The natural time for such redistricting is shortly after the figures of the United States census are available; but there is a provision in the state law enabling the supervisors to have a census taken at any other time so that they might intelligently comply with the law in districting and other requirements.

Doubtless the high-handed action of four of the supervisors in spending large sums of money out of the general county fund on the roads without a vote of the people, is the principal cause of dissatisfaction with the supervisors and of the desire for greater representation on the board; but if the districting was properly adjusted, as it ought to be, that much of the cause for complaint would be eliminated. We do not believe, however, that redistricting will give the Third supervisory district any more weight on the board of supervisors or that it will stop the log-rolling of the other four members. It will simply shift the lines between the districts so that the population will be more nearly equal.

Dr. A. T. Vance, osteopath, offices 114 1/2 East Fourth St. Sunset 239.

### OWN A FARM IN TULARE COUNTY

Pay in cash (\$700 to \$1000 on 20 acres)—balance in 1919. Diversified crops are the farmer's safeguard. Yields of \$100 to \$300 an acre are realized from oranges, olives, peaches, figs, seedless grapes, melons, berries, Turkish tobacco, alfalfa, etc., etc.

The Orsi district is safe for oranges. The navel crop is shipped by December 15th. Our illustrated folder with map may mean much to you. Send for it.

THE OROSI FARMS, 425 Title Insurance Bldg., Los Angeles, Cal.

standing in a hotel lobby one day, according to the general, talking to Jones, when the conversation turned to a dinner that had been given at the home of a mutual acquaintance named Brown.

"You should have seen Earton," remarked Jones, referring to one of the guests. "I thought he had better table manners. When the pie was served he actually ate it with a knife." "I don't blame him for that," was the startling reply of Smith. "You don't blame him?" repeated Jones, in amazement. "No," smilingly rejoined Smith. "I have eaten pie at Brown's myself and it's a wonder to me that Barton didn't take an ax."

### MOVIES AT DETENTION HOME

There will be a moving picture on entertainment tonight at the Detention Home for the entertainment of the boys and girls there.

We are much concerned about fitting your glasses correctly. You and your friends are much concerned about your being fitted becomingly. Our carefully made glasses offer the most becoming and most comfortable way of correctly fitting your eyes that many years' experience has developed.

Dr. Karl A. Loerch Optometrist, 116 East Fourth St. Santa Ana, Cal.

Easter hats at Gilbert's. You can afford to buy your new hat until you have seen the new beautiful mod on exhibition at our daylight millinery department. Four hundred lovely trimmed hats on exhibition. We can suit your pocket book. Come to Gilbert's, take the elevator to our daylight millinery department. Gilbert's is the place

WANTED—Picture framing. R. J. Chandler Music Store, 111 West Fourth St.

## FRECKLES

February and March Worst Months For This Trouble; How to Remove Easily

There's a reason why nearly everybody freckles in February and March, but happily there is also a remedy for these ugly blemishes, and no one need stay freckled.

Simply get an ounce of othine, double strength, from Mateer's Drug Store and apply a little of it night and morning, and in a few days you should see that even the worst freckles have begun to disappear, while the light ones have vanished entirely. Now is the time to rid yourself of freckles, for if not removed now they may stay all summer, and spoil an otherwise beautiful complexion. Your money back if othine fails.—Advertisement.

### GONE TO HEAR LECTURE

A party of high school students went to Los Angeles to hear Henry Van Dyke lecture this afternoon. Dr. Van Dyke is lecturing under the auspices of Occidental College, and the Santa Ana students attended today's lecture on invitation of Dr. Baer, Occidental's president.

### EASTER WINDOWS

#### Stores of Santa Ana Achieve Pleasing Effects With Handsome Wares

With the approach of the Easter season the business houses of Santa Ana, especially those dealing with feminine finery, began to display their choicest wares in the show windows. This week has seen a goodly number of Easter decks, the drygoods establishments having notably pretty displays. Dainty blossoms and greenery intermingled in a decorative way with shimmering silks and ribbons, crisp spring offerings in suits or charming chapeaux or other fascinating tatters that allure the eye of woman. Easter lilies and delicate blossoms with trailing vines of green are much in evidence.

The shoe stores have been equally successful in making their windows inviting, achieving really artistic effects with the latest footwear united with pretty decorations.

The confectionery stores revel in Easter emblems especially dear to the childish heart, cute bunnies, candy eggs and fluffy chickens being shown in profusion.

The millinery houses, most of which have recently held successful openings, are brave with their spring showings of notable hats and chic trimmings and the decorations that rendered the openings attractive.

#### Stainer's "Crucifixion"

Tonight at the First Baptist church the beautiful cantata, "The Crucifixion," by John Stainer, is to be sung by the First Baptist choir, assisted by several prominent soloists. The work has been in course of preparation for some weeks and the occasion promises to be one of much interest and pleasure. The general public is invited to attend. Doors open at 7:30 and performance promptly at 8 o'clock.

#### Iowans Were Luncheon Guests

Mr. and Mrs. Ed Finkbine and Mr. and Mrs. James Berryhill, millionaires of Des Moines, Iowa, lunched Thursday with Mr. and Mrs. Carey R. Smith of North Main street.

The Iowans are enjoying California for a season and today were en route in their auto to San Diego. They have been stopping at the Maryland in Pasadena, where the Smiths spent a pleasant day last week.

The Finkbines and Berryhills and Smiths were friends in Iowa before the Smiths came to California.

#### Miss Tappe in Rose Maiden

Mr. Revill has been fortunate in securing the service of Miss Helen Tappe of Los Angeles, as soprano soloist in the beautiful cantata "The Rose Maiden," which will be given at Laks Hall Tuesday, April 1.

Miss Tappe needs no introduction to the people of Santa Ana, as she gave full proof of her ability in "The Ancient Mariner," two years ago.

Tickets are obtainable from any member of the chorus, or at Miles' shoe store.

#### Motored to Riverside

Yesterday will be long remembered by Mrs. S. H. Cochran of Riverside as one of the happiest birthdays she has ever experienced. Her four brothers and their wives, Mr. and Mrs. A. E. Chapman, Mr. and Mrs. C. H. Chapman, Mr. and Mrs. E. M. Chapman and Mr. and Mrs. Fred Chapman, with her sister, Mrs. Etchison, all of Santa Ana, motored to Riverside to aid her in celebrating Mrs. Cochran's natal day. The visit was an absolute and joyful surprise to Mrs. Cochran and for a short space of time she was overcome with emotion. Happy hours followed and at noon the appetizing eatables the visitors had taken with them were duly set out on a prettily appointed table around which the party gathered for the feast.

Another surprise awaited Mrs. Cochran in the way of gifts. Before the luncheon was over some handsome cut-glass pieces were placed at her plate with the compliments of her guests.

Following the dinner an automobile ride was taken to Mt. Roubidoux where a cross dedicated to the memory of Father Junipero Serra, crowns the peak.

Return was made to Santa Ana late in the day, the party traveling via the Santa Ana Canyon and finding the trip a delightful one.

### ONE REASON WHY MANY MARRIAGES ARE UNHAPPY ONES

In an article entitled "A Girl and Her Future," in the April Woman's Home Companion, the author says in part:

"One does not wonder so much that there are many unhappy marriages. It is amazing, rather, that there are not more, considering how little most of us know about marriage and how little we prepare for it. Yet it is certain that if in our schools and colleges—if especially in our homes—girls were encouraged and trained to think and speak frankly of the duties of wifehood and motherhood that are likely to come to them, if it were admitted to be a mark of intelligence not to prepare for these duties, the rate of happy marriages would be likely to increase enormously. 'If I were asked for practical suggestions I would say, begin at the beginning. Learn how to do every kind of practical work that is or ever will be required in the average home. Learn every part of a household's management as an engineer learns to know every part of his machine. You may think it a trifle to learn to dust carefully and well, to know how to cook a tasty meal, how to select meat and how to buy judiciously, to prepare tempting invalid dishes, to nurse a little child who is ill, or to entertain one who is convalescent, to make clothes, to write proper notes, to judge between good and bad in furniture, pictures and house-furnishings. These things are all allied with the success or failure of your future life.'"

### WEDDING ANNIVERSARY

#### Thirtieth Milestone in Nuptial Happiness of Mr. and Mrs. John Vogt Reached

If Mr. and Mrs. John Vogt had forgotten that yesterday was the thirtieth anniversary of their wedding, that fact was pleasantly recalled to their memories when a merry party of their relatives gathered to serenade them at their home at 1795 North Lincoln street. The "bridal party" was completely taken by surprise, Mr. Vogt being out in his walnut orchard irrigating. They, however, quickly rallied to the occasion, and the self-invited guests were warmly welcomed and made to feel at home. A very pleasant evening was spent in social conversation and reminiscences, after which refreshments of ice cream, cake and wafers were served. The guests departed wishing Mr. and Mrs. Vogt many more years of happy wedded life.

Mr. and Mrs. Vogt were married near Chelsea, Washtenaw county, Michigan. One of the most interesting features of the evening was Mr. Vogt's account of the weather conditions on their wedding day. The ground was covered with about a foot of snow which had drifted so badly that it was impossible to travel the roads in a sleigh. Our beautiful California weather did not suffer by a comparison.

#### Heard Captain Amundsen

Dr. H. E. W. Barnes and Nelson Edgar of this city, in company with Dr. and Mrs. S. M. Barnes of Los Angeles, Mrs. Georgia Barnes Bradley of Hollywood, Miss Grace Barker of Palo Alto and Erwin Barnes of Anaheim, attended the lecture given before 2500 people in the Auditorium, Los Angeles, last night by Capt. Roald Amundsen, hero of the Northwest Passage and the South Polar expeditions.

Both Dr. Barnes of Santa Ana and Dr. Barnes of Los Angeles are members of the National Geographical Society of Washington, D. C., and they were especially interested in the brilliant lecture which was illustrated with lantern slides and moving pictures of the wonderful polar regions.

### INTERESTING AFTERNOON

#### Ladies of Thimble Club Heard Music, Readings, Papers and Had Easter Feast

The West End Thimble Club was royally entertained yesterday afternoon at the home of Mrs. M. Nisson who had embellished the spacious rooms with frescoes in honor of her guests. Mrs. Walter Fine assisted Mrs. Nisson in receiving the ladies.

The afternoon proved so entertaining with conversation and various diversions that the needlework taken by the ladies was for once neglected. Miss Emma Lawler of Los Angeles, the house guest of Mrs. J. A. Smiley was a guest of the club and gave a humorous reading, "Aunt Lucy's Fireless Cooker," and Mrs. Davies gave a paraphrase of the Twenty-third Psalm. Both were highly appreciated. Another pleasing feature was the reading of a paper on the Panama Canal which Miss Estella Nisson had prepared as part of her high school work. The paper was entertaining and instructive and elicited many compliments. Miss Estella also pleased the company with a piano number, responding to an encore.

Mrs. Walter Fine conducted a question box on the subject of Holland, that interesting little Kingdom which is a mecca for tourists and a fascinating study for readers. The questions were replied to civilly and when the little symposium was over, every one present knew much more about Holland than before.

One of the club members, Mrs. Martin V. Taylor, celebrated her birthday yesterday, and that fact added enthusiasm to the afternoon and gave opportunity for an especially delicious two-course collation served by the hostess. The table was decked with Easter emblems, tiny bunnies, fluffy chickens and vari-colored eggs abounding. The Easter eggs had been prepared to be taken home by the mothers of the club for the tots of their household.

#### Economics Luncheon

Household Economics Section Number One had a lenten luncheon yesterday at the home of Mrs. C. S. Kendall with Mrs. Kendall, Mrs. L. L. Shaw and Mrs. L. A. Collier as hostesses.

Carving chicks mounted on cardboard marked the plates, the telephone number of each lady being the guide to her place at the table.

The five-course luncheon was served at one o'clock, and scalloped oysters were substituted for the meat course. Jonquils were used in decorations.

Twenty-four ladies were seated at the table, all but one member, Mrs. Hiram Connell, who is in the east, being present. One of the leaders read a story on "Some Things in My Grandmother's Kitchen," the real names of the various things being omitted. At each plate was a written line which properly interpreted supplied the blank. For instance, one of the ladies had a slip reading: "A bright constellation in the sky, which was translated as a 'dipper.'"

The afternoon was spent in a social way, Victrola music, needlework and conversation passing away the time.

## Personals

Miss Hannah Lawyer of the Los Angeles schools has been the house guest of Mrs. J. A. Smiley of West Orange, returning last evening to the city.

Rev. Fr. Emmuelen of National City, Cal., spent yesterday and today with Rev. Fr. Stoeters of St. Joseph's church. Father Emmuelen celebrated the mass this morning, before his return to his home in San Diego county.

Harry Eastwood of Omaha is the guest of Mr. and Mrs. E. C. Pratt of East Washington avenue.

The many friends of Dr. Jas. F. Doyle will be pleased to learn that he is much improved after a five weeks' serious illness.

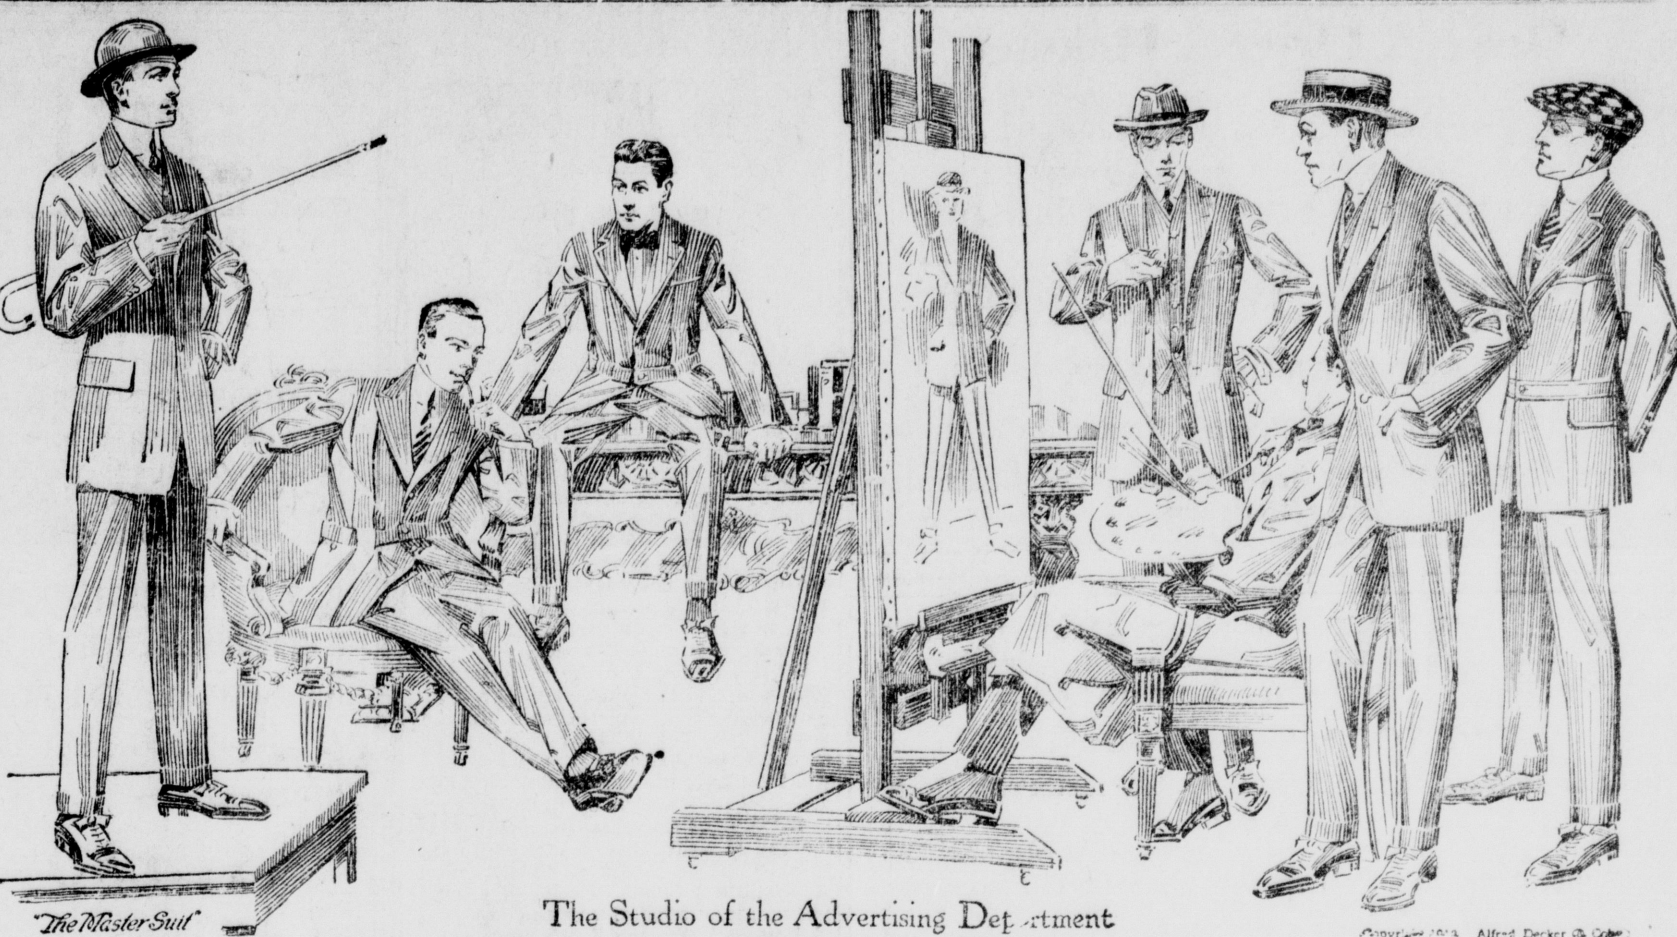

Mrs. Ada Linnell and daughter of Chicago, and Mrs. Carrie Thompson and Miss Margaret Young of Clay Center, Kansas, are visiting Mr. and Mrs. E. E. Vincent today. The ladies are old friends and former neighbors of the Vincents.

#### The Caddy's Rebuke

Mrs. R. H. Barlow, the golf champion, was telling golf stories at a luncheon at the Ritz-Carlton in Philadelphia.

"I once attended a feast," she said, "that a golf club gave in honor of its caddies. The caddies enjoyed the feast and most of them displayed excellent table manners, but there was one lad, Charlie, who fed himself exclusively with his knife.

"Fish, peas, chicken, mashed pota-

ALWAYS RELIABLE

toes, sauce---everything was conveyed to Charlie's young mouth on a knife blade. But when the ice cream came on and the lad actually began to shovel in ice cream upon a knife, a caddy at the other end of the table shouted in amazement: "Holy smoke! Look at Charlie! Usin' his iron all the way round."

### KILLS EVERY Catarrh Germ

Balsamic Air; Nature's Own Remedy That Is Guaranteed to End Catarrh

If you, Mr. Catarrh Victim, could only take one good look into your nose and throat and see the filth and the raw sore spots that are caused by germs of Catarrh you would secure a HYOMEI outfit this very day and start at once to destroy the cause of nose and throat violence.

Booth's HYOMEI is a germ killing air which when breathed through a small inhaler or in vapor form begins at once to drive out all mucus and bring the membrane back to a normal, clean, healthy condition. Complete outfit includes inhaler, \$1.00. Extra bottles if later needed, 50 cents, and money back from Rowley Drug Co. if dissatisfied. Just breathe it---no stomach dosing.---Advertisement.

#### The Two Keys

Representative Buckley of Ohio said the other day of a corrupt millionaire: "We have, thank goodness, few millionaires like him. And he is such a cynic, too. A senator once said to him: 'I'm sure you'll agree with me, sir, that the two keys to financial success are luck and pluck.' 'Lyes,' he answered with a cynical laugh---yes, luck in finding some one to pluck."

Why not a pair of glasses? See Dr. Loersch, 116 East Fourth Street.

### PARENT-TEACHERS ASSOCIATION AT ANAHEIM TOMORROW

The Orange County Parent-Teacher Federation meets tomorrow at 10 o'clock in the Fremont School auditorium at Anaheim. The following program will be observed:

Place of next meeting (?).  
Adjournment.

#### Card of Thanks

We desire to thank the friends who ministered to us in the time of our sorrow, the death of our wife and daughter.

MR. AUGUSTINE,  
MR. and MRS. JOHN WEBER.

#### Politeness

A story about Charles M. Schwab has been going the rounds of Wall Street.

Mr. Schwab, who is very fond of farce comedy, one day bade his secretary get him two tickets for "Charlie's Aunt."

The secretary summoned a page and said:

"Go 'round to the theater and get two tickets for 'Charlie's Aunt,' please."

The page hesitated and said: "But hadn't I better say Mr. Schwab's aunt, sir?"

## CLOSES TALKS ON "LITERARY CHRIST"

Rev. Paul E. Wright Places Love as Supreme Principle of Christ's Life

(As this is the last paper on the subject of "The Literary Christ," I wish to take this opportunity to thank the papers for running the little talks week by week. They were given out in the hope of helping those who need help in matters of faith. If any one has been helped in this matter, if any one has again considered what before was a closed question, it will be return enough for the trouble of putting them out.—Paul E. Wright.)

Let me review a little. We opened this study of the character Christ as we would study any other. We did not assume his deity or the inspiration of the writers. We used just what we had, the gospel stories. They are either historical or fictional. Certain traits of the character were considered to show that if they were fictional stories a prodigy of literary merit was in our hands that its like could not be found even among the works of skilled writers, which these writers are not. We consider one other quality in our hero and then ask each one to consider the evidence quietly for himself.

Love—Christ without this is no Christ at all.

We are acquainted with this quality in manufactured heroes and heroines. It is of a conventional type and true to nature. We understand this term as meaning an emotion or a sentiment, more or less concerned with one person or city or country. Never does it get beyond this in fiction. It is often emphasized by a picture of a hate for the opposing party. It is heightened by war and revenge in our stories. That is very true, no doubt, to human nature. But in this character love is more than an emotion or a sentiment; it is a principle. With this great model before them the writers since the life of Jesus have produced nothing comparable to him in this matter.

He emphasizes love in his parables. In the story of the prodigal son we have often seen only the son's part. It seems to me that the strength of the parable is the Father's love. In the parable of the Good Samaritan he clearly sets forth the truth that my neighbor is the man that needs me no matter where he may be or what may be his color, only if he needs me he is entitled to a ride with me and my oil and ministrations are due him.

His miracles are for the good of some one else. He refused the defense of heaven for himself but he gave the world the very best heaven had in giving himself. Love can only dwell in hearts that are supremely unselfish. One of the strongest evidences of his sonship is this very quality. Love only dwells with the forgiving spirit. No one need expect to see heaven with a heart full of animosity and hate. It matters not what we hold here in the way of money, family or power; the soul that goes to judgment with hate and an unforgiving spirit is doomed. In his love for us he points out this great danger. His love compels him to reveal actual conditions of life.

One word more. If our literature shows nothing like this; if our skilled

Stops Nasty Discharge, Clears Stuffed Head, Heals Inflamed Air Passages and You Breathe Freely.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning! the catarrh, cold-in-head or catarrhal sore throat will be gone. "End such misery now! Get the small bottle of 'Ely's Cream Balm' at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils;

penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dripping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear. Rowley Drug Co.—Advertisement.

writers so far have not produced a character comparable to him, is it reasonable to suppose that these fishermen could have done so of themselves? There seems to me but one conclusion—these humble men wrote what they saw and heard. The matter is easily adjusted and explained on that ground alone. Pilate led him forth and said, "Behold the man. In him is no fault at all." With equal assurance his disciples may bring him to the world and say, "Behold the man. In him is no fault at all." The verdict of the Roman governor is the verdict of all time.

## FUNERAL OF MRS. JULIA DICKINSON YESTERDAY

Mrs. Julia Dickinson was born in Waterford, Ireland, July 13, 1863, coming to Connecticut when a child, and was 49 years of age at the time of her death. With her husband she came here nearly a quarter of a century ago, rearing a family of three sons, Raymond, Edwin and Eugene, who with the father are left to mourn the loss of one of the sweetest and best of women. She also leaves five sisters and three brothers. But not alone does the family grieve, for there are hosts of friends who will sincerely miss the little woman, who in her quiet way did so much for suffering humanity and who, even in her long and painful illness, thought not of herself but always of others.

Mrs. Dickinson was a devoted Catholic and did her part in building up the parish here and from St. Joseph's Catholic church she was buried yesterday, March 20, on one of the most beautiful feast days of the church, the feast of the Holy Eucharist. Before her death she received the consolation of all of the last rites of her religion, which was her consolation during her hours of suffering.

The church was filled with friends, many members of the Rebekahs, Ladies of the Maccabees and Odd Fellows paying with their flowers and tears their last tribute of respect, for "none knew her but to love her." Rev. Fr. P. Stoeters officiated at the services and Miss Elizabeth Easton, accompanied by Miss Josephine Yoch, sweetly sang the psalm "De Profundis" before and after the service and the beautiful hymns, "I Need Thee, Jesus," and "Come Unto Me and Rest."

The priest paid a high tribute to the character and life of the deceased, as Christian, wife and mother and pointed out the path that all must tread to reach the gates of heaven.

Many beautiful floral offerings surrounded the rich casket, sent from the Altar Society of the church, Rebekahs, Odd Fellows, Ladies of the Canton, Ladies of the Maccabees and

## COLONISTS RUSH TO THE SUNNY SOUTHLAND

Orange County Attracts Large Crowds of Homeseekers From the East

NATURAL ADVANTAGES HERE APPRECIATED

Railroads Bringing in Thousand Strangers Every Day to Look Around

"All Orange county is certainly getting its share of the newcomers who are arriving in Southern California on the colonist excursions," said Secretary Metzgar of the Santa Ana Chamber of Commerce this morning. "We are already noticing the arrival of crowds of the new arrivals, and as there are many thousands of them booked for a visit here within the next sixty days, we are certain to find many of them deciding to make permanent homes here.

"It is simply remarkable how the inquiries are increasing. Every mail I am receiving letters asking for information regarding Santa Ana and Orange county. These inquiries come from practically every part of the world. With the present rush of homeseekers who are coming over the several railroad lines, Santa Ana and vicinity is bound to be given a great deal of most desirable advertising, for these people will, as a rule, write to their home-town friends about this section and its attractions and advantages."

Nearly 1000 colonists arrived in Los Angeles yesterday, making some 4000 colonists who have arrived the past three days over the railroads. "We find a good many scouts among the arrivals," stated General Passenger Agent Peck of the Salt Lake yesterday. "By scouts I mean persons sent ahead to get acquainted with the country, preparatory to the coming of other members of the family. All over the east the idea is prevalent that the opening of the Panama canal is going to make many opportunities out here, and many persons are preparing to get in on the ground floor."

The schedule for the Salt Lake's new Pacific Limited, to be operated daily between this section and Chicago in connection with the Union Pacific and Chicago, Milwaukee and St. Paul railroads, was issued yesterday. The west-bound train is scheduled to leave Chicago at 10:45 a. m. and to arrive in Los Angeles at 10 a. m. the third day. East-bound, the Limited will leave this city at 9 a. m. and will arrive in Chicago at 9:15 a. m. the third day. The first train west-bound is scheduled to leave Chicago April 1. The first east-bound train will leave here April 5. On the same date the leaving time of the Salt Lake's Los Angeles Limited, east-bound, will be changed from 10:30 a. m. to 1 p. m. The new Pacific Limited trains are each to be made up of two standard Pullman sleepers, an observation car, a diner, a tourist sleeper, a chair car, a baggage car and a mail car. All these cars are to be of all-steel construction; the total cost of the equipment of the seven trains being close to \$1,250,000.

## IMMIGRATION PROBLEMS THAT WILL COME WITH PANAMA CANAL

Dana Bartlett Says Immigrants Must be Taught American Ideals, Mode of Living and Sanitation

SAN DIEGO, March 21.—Some of the problems that will confront California when immigrants begin coming to this state through the Panama canal were outlined here in an address by Rev. Dana W. Bartlett, chairman of the state immigration board, at a recent meeting of the San Diego League of Social Workers. Education in American citizenship, development of transportation facilities, help of the sort that will help the immigrants to help themselves, were pointed out as fundamental necessities in the assimilation of these newcomers.

"These people," said the speaker, "will come here with but little money, but they will be rugged people, strong of body and well fit to cultivate and develop the back country. They will need help, of a practical kind, because to be successful in this work they must be taught American methods of farming and of finance. They will come to settle in a state where industrial methods are entirely different from anything to which they have been accustomed."

"The day when the immigrant will pack his belongings on his back is passed. He will need roads. In the development of the back country of the state little communities will spring up, and the newcomer cannot construct the network of roads giving outlet for his products, and without these his efforts are doomed to failure. We must be prepared and willing to provide these roads."

"The San Diego and Arizona railroad will be a great help to the immigrant, permitting the moving of the product of his labor to market. Your county boulevard system will be a valuable factor, but we must provide roads radiating from this system to the places where the immigrant shall make his home."

"Probably the greatest problem before the state will be to inculcate American ideals in the minds and hearts of these newcomers, and one suggestion to this end is that San Diego and other communities in the state establish night schools, where the foreigner may learn the English language and get a knowledge of American modes of living. They must be taught sanitation, a knowledge of American government and national customs and institutions."

"Anything that can be done to make these newcomers self-supporting should be done, for unless they are, they will be of no use in developing the lands of the state."

One of the most striking features of the San Diego exposition in 1915 will be its educational value in revealing the social conditions of the state and the different industrial methods with which the foreign immigrant will be compelled to work in the development of the resources of the Pacific coast.

## BUILDING WORK GOES MERRILY ALONG

Fifteen Thousand Dollars in New Structures Started in the Present Week

HAMMER AND SAW BUSY IN SANTA ANA

New Business Blocks and Fine Residences Show Steady Growth Here

Hammer and saw are telling the tale of building activity that continues without abatement in Santa Ana. While there is no special boom in home and business block construction, there is a steady and substantial growth in the number of building permits issued. This official data shows just what is being done from day to day; and never a day passes that there is not at least one demand upon Building Inspector Roper for his official approval of plans and specifications for some new structure.

Little alteration work is going on, principally because the business blocks here are all up to date, and equipped with modern improvements and conveniences. This is true, also, of most of the residences, more so perhaps than is the case in any other Southern California city. All the new structures that are being erected are of first-class material and invariably of some pleasing style of architecture, no matter how modest the building may be.

Close to \$15,000 is represented in the buildings for which permits have been issued this week, the official list being as follows:

To J. H. Scott for four-room bungalow at 606 G street, to cost \$850.

To F. G. Adams for one-story garage at 419 South Sycamore street, to cost \$100; R. White, contractor.

To William Strassburger, for seven-room cottage and garage at 291 South Broadway, to cost \$2000; G. L. Smith, contractor.

To C. A. Davidson, for garage at 296 South Sycamore street, to cost \$150; G. L. Smith, contractor.

To G. Cunningham, for garage at 312 East Pine street, to cost \$50.

To H. Schlinks, for two-story bungalow apartment house at 116 South Broadway, to cost \$3800; C. McNeill, contractor.

To C. E. Nining, for five-room cottage at 209 Flower street, to cost \$920; W. T. Mitchell, contractor.

To E. C. Pramp, for six-room bungalow at 329 West First street, to cost \$1500.

To J. J. Van Wyck for barn at 1113 Framp street, to cost \$55.

To Ira Chandler, for one-story brick garage at 426 West Fourth street, to cost \$2600; C. M. Jordan, contractor.

To Mrs. Nora Stem, for six-room bungalow at 1421 Bush street, to cost \$1900; E. D. Johnson, contractor.

To J. H. Scott for four-room bungalow at 606 G street, to cost \$850.

To F. G. Adams for one-story garage at 419 South Sycamore street, to cost \$100; R. White, contractor.

To William Strassburger, for seven-room cottage and garage at 291 South Broadway, to cost \$2000; G. L. Smith, contractor.

To C. A. Davidson, for garage at 296 South Sycamore street, to cost \$150; G. L. Smith, contractor.

To G. Cunningham, for garage at 312 East Pine street, to cost \$50.

To H. Schlinks, for two-story bungalow apartment house at 116 South Broadway, to cost \$3800; C. McNeill, contractor.

To C. E. Nining, for five-room cottage at 209 Flower street, to cost \$920; W. T. Mitchell, contractor.

To E. C. Pramp, for six-room bungalow at 329 West First street, to cost \$1500.

To J. J. Van Wyck for barn at 1113 Framp street, to cost \$55.

To Ira Chandler, for one-story brick garage at 426 West Fourth street, to cost \$2600; C. M. Jordan, contractor.

To Mrs. Nora Stem, for six-room bungalow at 1421 Bush street, to cost \$1900; E. D. Johnson, contractor.

To J. H. Scott for four-room bungalow at 606 G street, to cost \$850.

To F. G. Adams for one-story garage at 419 South Sycamore street, to cost \$100; R. White, contractor.

## Ask About Register Bond

Of course you want effective letterheads. Every successful business man knows the value of attractive, dignified, and impressive business stationery. Many firms make the mistake of "economizing" on printing—others pay too much for the paper they use.

If you were building a new factory, you would not place the contract with the simple stipulation "Make it same as last—and not too expensive." You would consult your architects and builders—learn just what materials would be needed—how much you ought to pay for the right kind of labor.

And it is just as necessary to confer with your Printer when you order business stationery. Good printing is essential to good letterheads. And good printing costs money—it cannot be done cheaply—so when you demand a "cheap" job the printer must ordinarily sacrifice on either the printing or the paper to make the price low enough.

REGISTER LINEN BOND gives you a better looking, better feeling and better wearing letterhead. It offers the appearance and service you are entitled to expect of any first class bond—yet it costs less than many that are more expensive.

### The Register Job Department

SEE WEBB—USE THE PHONES.

## HOUSE MEMBERSHIP; 290 DEMOCRATS AND 145 REPUBLICANS

WASHINGTON, March 21.—The membership of 435 in the House when it convenes April 7 will comprise 290 Democrats, of whom 103 will be new members, and 145 Republicans, of whom 55 will take their seats for the first time. These figures, officially compiled and distributed today, include two Democrats expected to be elected from the tenth district of Texas and the first district of South Carolina. To succeed Postmaster General Burleson and the late Representative Legare of Charleston, and a probable Republican successor to Senator Weeks of Massachusetts in the thirteenth district of Massachusetts.

The list shows that 279 of the representatives served in the congress just ended and that six of the new representatives come back to Washington after two years or more absence from congressional duty. These six comprise Representatives Crisp of Georgia, meantime parliamentarian to the speaker; Stafford of Wisconsin, who replaces Victor Berger, the only Socialist member of the last congress; McAndrews and Williams of Illinois, and T. D. Sullivan and J. A. Goulden of New York.

The North Carolina, Tennessee, Vermont, Wyoming, Alaska and Hawaiian representations in the last congress remain intact. There are solidly Democratic delegations in the house from Alabama, Arizona, Arkansas, Colorado, Connecticut, Delaware, Florida, Georgia, Indiana, Louisiana, Maryland, Mississippi, Montana, New Hampshire, New Mexico, the Carolina and Texas, and solidly Republican delegations from Idaho, Nevada, the Dakotas, Oregon, Utah, Vermont and Wyoming.

## Oil Operations in LA HABRA SECTION

FULLERTON, March 21.—The Petroleum company, operating in La Habra, is building a rig for No. 4 well on the Gilman lease and is grading for No. 5. The company has reached a depth of 1400 in its first well on the Nemo lease, near the Walker-Brand. It is believed that in the future the wells of the company will be put down even more rapidly with the rotary than in the past. As far as can be learned, the Petroleum company holds the record in the Fullerton field for rapid drilling, having finished well No. 3 on the Gilman lease in about three months.

The Monte Cristo Oil company is building a rig on its Key lease just south of the Petroleum company.

The Union Oil company drilled its first well on the Hole lease to a depth of 2800 feet in ninety days with a rotary. The well is cemented. The company is preparing to start two more wells on this lease.

Wells Nos. 6 and 7 on the Union's Graham and Loftus lease, have entered the oil sand and should be in shortly.

## HEAL IT WITH Bucklen's Arnica Salve

THE ONLY GENUINE  
KEEPS FLESH IN TONE FROM SKIN TO BONE.  
Heals Everything Healable. Burns, Boils, Sores, Ulcers, Piles, Eczema, Cuts, Corns, Wounds and Bruises. SATISFIES, OR MONEY BACK. 25c AT ALL DRUGGISTS.

SAN BERNARDINO, March 21.—Local restaurateurs have given notice that meat orders have gone up in price. The cafe proprietors declare they are compelled to boost the scale owing to the increase in price by the meat dealers.

Porterhouse steaks henceforth will cost 75 cents instead of 60 cents, and T-bone and tenderloins command 60 cents each instead of 50. Roast orders are increased 5 cents.

## Duplex Vacuum Cleaner

The Duplex Vacuum Sweeper works by hand power just like a carpet sweeper but gets the dirt out of a carpet the same as an expensive electric sweeper. The price is

### \$10.50

about a third of the price of the cheapest electric machine—and costs nothing to run. If you have felt the need of a sweeper or want to know what good work they do—let us send one of these to your house on trial.

### Santa Ana Hardware Co.

Only a few days more before Easter. We have hundreds of Hats at from \$3.50 to \$15.00. Careful attention and courteous treatment is one of our strong traits.

## CROOKSHANK, BEATTY CO.

### BISHOP SELLEW ARRIVES IN SANTA ANA

Will Lecture Tonight at Free  
Methodist Church—Also  
Preaches Sunday

Beginning this evening, the congregation and friends of the local Free Methodist denomination are to enjoy the rare privilege of a visit by Bishop Walter A. Sellow of Jamestown, N. Y. Fourteen years ago Bishop Sellow was elected to his position, since when he has traveled extensively, which adds special interest to his addresses. He was selected seven years ago by the executive board of the Free Methodist church to visit its missions in various parts of the world. It might be of passing interest to note that the Free Methodists are a very aggressive people on the subject of foreign missions, standing third in the list of the heaviest subscribers to this department of the work. Last year as a denomination they raised and expended over two dollars per capita in the interests of foreign missions.

Bishop Sellow visited the missions in Africa, India, China and Japan, making at the time a journey which extended around the world. In Africa he organized and presided at the first sessions of the South African Mission Conference. He was in India and wit-

BISHOP W. A. SELLEW

nessed the remarkable scenes that attend the great revival that visited the missions of practically all denominations of that country seven years ago. During the time of the Boxer uprising in China he visited the missions of that land making his way far inland surrounded by the dangers peculiar to that time. Two years ago he again visited Japan and China and witnessed the scenes of the famine that prevailed in the latter country while he was there.

This evening the Bishop will deliver an address upon the subject, "Incidents of Travel and Foreign Mission Life." He will also preach tomorrow evening at 7:30 and 11 a. m. and 7:30 p. m. on the Sabbath. A cordial invitation is extended to the public to attend all these services.

### LA HABRA NOTES OF NEWS AND LATE SOCIAL HAPPENINGS

[From the Fullerton News]  
Rev. Stranburg and mother have moved to the O. T. Stephens house. The Misses Emma Leutwiler, Or-dell Moelhuich, Everett Walker and Richard Launer went to Mt. Lowe Sunday.

Mr. Connely and wife, missionaries from India, are at the home of John Robinson and wife. Mrs. Milbrant, who has been visiting friends here, started last week for her home in Colorado. Norman Hall recently purchased the W. N. E. Swain ranch. The Epworth League had their regular monthly meeting and social at the pleasant home of Mr. and Mrs. John Leutwiler.

Allen Craig has taken possession of the ranch he recently purchased from Mr. Chambers. A smoke came down the Pacific Electric track the other day that looked like an eastern cyclone. Upon investigating, we found it to be a weed burner.

Miss Alice Thuet is visiting friends in Los Angeles. Wm. Snow is building a house for Mr. Brewster.

The Embroidery Club had a good time at the home of Mrs. Ray Fraitz Tuesday afternoon. The Barna family are moving into Mr. Webber's home. Miss Lulu Convis of Los Angeles was the guest of Miss Wanda Davis a part of this week and attended the recital given by the latter at Olinda Monday evening.

Mr. and Mrs. Geo. Wolfe entertained a party of young people Saturday evening in honor of their daughter, Miss Lillian, of Pasadena. Games were played until a late hour, after which delicious refreshments were served. Quite a large crowd gathered at the home of Mrs. S. R. Swaney on Thursday afternoon, it being the regular meeting of the Woman's Club. Mrs. J. Knapp read a paper on the Big Trees of California. Mrs. Wm. Stanford's paper on Imperial was very interesting. Mrs. Stuart read a sketch on the life of Joaquin Miller. After quite a discussion on domestic helps, Mrs. F. R. Aldrich invited the ladies to meet at her home in April. Miss Wanda Davis left on Wednesday for a trip to Stanford University, where she will attend the festivities of the Juniors. She has a very tastefully arranged wardrobe, which is the handwork of herself and mother. We are wishing her a splendid time as she is a deserving young lady.

### LES MISERABLES SUBJECT OF LECTURE

Dr. S. H. Clark, head of dramatic school at Chicago University, will give a lecture recital on Victor Hugo's "Les Miserables." Dr. Clark is one of the foremost interpreters of literature in the United States. For a number of years he has given readings in the largest cities in the United States and has been received most enthusiastically in the field of literature. Santa Ana may consider herself exceedingly fortunate in being able to present Dr. Clark and every one should avail themselves of this opportunity to hear America's foremost interpreter of literature; an opportunity that is only offered to large cities.

It is hard to conceive of the most dramatic episode told by Victor Hugo

DR. S. H. CLARK

in his masterpiece, "Les Miserables." The story of Jean Val Jean, the escaped prisoner, who, railroaded into a French jail because of a minor indiscretion, through the remainder of his life endeavors to live down his past and fights continually against overwhelming odds, is one of the most pitiful, as well as the most fascinating tales ever written. This book, "Les Miserables," probably, has done more toward prison reform in France and other nations than any other one agency of recent times. It shows, in all their horror, the prison pens of a half century ago with all the brutality, with all their dehumanizing influences controlled by the thought that jails exist for punishment only, with never a glimmer of conception of the reformatory idea.

Dr. Clark's rendition of this book will appeal to those interested in prison reform. It will touch the hearts of those who feel for the down-trodden and the unfortunate. It will strain the cords of sympathy in the breasts of all who love poor, weak, sinful mankind. Dr. Clark will give his wonderful reading under the auspices of the Teachers' Association of Santa Ana at the Grand Opera House, Wednesday evening, March 26.

### REFORM SCHOOL LOCATION IS CENSURED

"Unsanitary and Inefficient,"  
Says Jury—Judge Wilbur  
Advices Removal

LOS ANGELES, March 21.—A special committee of the grand jury of Los Angeles county has pronounced the Whittier site for the state reform school as "ill located, unsanitary and woefully inefficient," and as a substitute site Judge Wilbur of the juvenile court has suggested a state property near Fresno, now used as an agricultural station. Judge Wilbur says:

"I heartily agree with the committee of the grand jury that Whittier at present is a very poor place to send boys to reform them, because of the evil influences which the railroads and near vicinity of Los Angeles bring within their reach.

"In the last six months, I have sent many boys to the lone reformatory rather than commit them to Whittier for the reason that lone is 20 miles from any town of large size.

**Boys Need Farm Work**  
"What is needed for a state school is farming, not horticultural land, as we have at Whittier. The boys need the opportunity of the out of doors that the large farm gives them. For this reason, and the fact that it is not contiguous to a city, I believe the George Junior Republic at Chino to have an ideal location."

### GUIDE ISSUED FOR THE BASEBALL FANS

The 1913 Reach American League Guide—the official handbook of the great junior major league—presided over by famous Ban Johnson—has just made its ever-welcome appearance, thus ushering in one more base ball season; a function which it has fulfilled each spring for thirty-one consecutive years. This long term embraces virtually two base ball generations, assuming that fifteen years measure one generation in a field in which events move swiftly and the actors make their entrances and exits in painfully quick time. So, this long continuity of publication alone has served to make the Reach Guide the standard annual publication of the base ball world, without considering the merits of the contents of the book. But, combining time and quality, we have a publication which simply stands alone in its chosen field in every way, including the literary contents, official records, illustrations, quality of paper, serviceable binding and general typographical excellence. Thus, from every standpoint, is the Reach official Guide for 1913 a splendid handbook of base ball and a decided credit to the American league, to the Reach company of Philadelphia, as the publishers, and to its editor, Francis C. Richter, the veteran base ball writer and authority. It should be noted, by the way, that this is the twelfth annual issue of the Reach Guide as the official handbook of the American league, and the thirty-first consecutive year of its publication by the A. J. Reach company as a book of records and reference for the entire base ball world.

### Former Santa Anan Is Now Located At Phoenix, in Land Business

—Wm. Besser, formerly of Santa Ana, writes that he is now located permanently at Phoenix, Arizona, where he has associated himself with the Arizona Irrigated Land Co., and invites all his old friends of Santa Ana and Orange county to make his office their headquarters when in Phoenix. Mr. Besser writes that he has already purchased a large tract of land himself and sees so many former Santa Ana and Orange county people on the streets of Phoenix that he feels thoroughly at home.—Adv.

### Clears Face of Pimples, Blackheads

Wonderful ZEMO Also Stops  
Terrible Itching AT ONCE;  
Cures All Skin Troubles

Get a 25c Bottle of ZEMO Today.  
"At last! At last! One application of ZEMO, the wonderful new treatment quickly put an end to those awful, humiliating pimples and blackheads. For the first time in months I haven't been ashamed to go out in public." A trial of ZEMO will convince you of its astonishing results in clearing the complexion.

ZEMO is a clean, antiseptic solution, not a greasy paste or ointment. You simply apply it to the afflicted part—your pimples, blotches and blackheads—all eczema sores and pains, prickly heat, rash, tetter inflamed or reddened skin, all disappear. It also cures dandruff, which is scalp eczema. ZEMO is guaranteed to stop itching immediately. It gives instant relief.

"I have had wonderful benefit from your famous ZEMO for the skin. It has cured my face completely."—Miss E. N. Rugby Place, St. Louis, Mo. ZEMO is sold in 25c sealed bottles and guaranteed in Santa Ana by Ma-teer's Drug Store.—Advertisement.

### Best Known Cough Remedy

For forty-three years Dr. King's New Discovery has been known throughout the world as the most reliable cough remedy. Over three million bottles were used last year. Isn't this proof? It will rid you of your cough, or we will refund your money. J. J. Owens, of Alameda, S. C., writes the way hundreds of others have done: "After twenty years, I find the Dr. King's New Discovery is the best remedy for coughs and colds that I have ever used." For coughs or colds and all throat and lung troubles, it has no equal. 50c and \$1.00 at all druggists.—Advertisement.

## WILL WAIT TO GAIN VOTERS

Movement For Re-Districting  
County Is Dropped by North  
End for the Present

Conferences Held and in Inter-  
est of Harmony and Saving  
Election Stay Is Called

The movement toward re-districting the supervisorial districts of Orange county has been dropped for the present. The Anaheim Gazette in discussing the reasons for the change of front at this time has the following: "Sweeping along with irresistible force until it was found last week that the northern part of the county was not sufficiently strong as to population to warrant formation of another supervisorial district here, and that too great an incursion would be necessary into the second district to make up the deficiency, the discussion for such new district was dropped this week, to be taken up again at some future time when population shall be sufficient to justify that course. A movement for creation of a new district here was brought about some weeks ago when it was learned that too large an appropriation of public money had been made for the two coast districts in comparison to the sum allotted to

SAN DIEGO HIGH SCHOOL TEAM

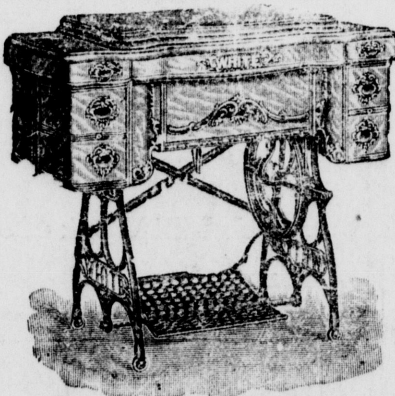

the third district."

A committee from the north end of the county visited both Santa Ana and Orange. The Gazette says:

"The visit of the committee to Orange and Santa Ana, at which time it was given out that the northern part of the county would demand another district, created resentment on the part of southern members of the board. It was pointed out that if this city should be thus attached to the two southern districts, a referendum election would be demanded, and similarly it was also shown that if a demand for creation of two districts in the northern end of the county were insisted upon, a referendum election would also have to be called. Conferences were held in this city attended by a number of delegations from outlying points and it was agreed that rather than to plunge the county into the expense of a referendum election, it were better to drop the matter for the sake of harmony between the northern and southern districts. A mass meeting of citizens was called for Saturday evening at which it was resolved to settle the entire matter by dropping discussion of the subject for creation of a new supervisorial district."

"Supervisor Schumacher was present at the meeting and urged harmony between different sections of the county. He went to Santa Ana on Sunday and held a conference with Supervisors Talbert and Leck and County Clerk Williams at which the subject was amicably disposed of and the matter of a new supervisorial district here was dropped. Mr. Schumacher was assured that no effort would be made to annex territory in this district to the second and fourth districts and that a more equitable adjustment of appropriating public money would be immediately made."

## SANTA ANA HIGH SCHOOL ATHLETES WILL MEET SAN DIEGO TEAM HERE TOMORROW

Tomorrow at 2:15 o'clock the last track meet of the season will be staged at Lincoln Park between the San Diego and Santa Ana high school athletes. Some time ago Santa Ana suffered a severe defeat at the hands of San Diego, but it was the first meet for the team, which had only four veterans, and the team was hampered by the long, hard trip. The Cardinal team is determined to win over the blue if possible tomorrow.

Both schools have the best teams in the field which they have ever possessed. Santa Ana has developed a strong aggregation of point winners, and with the exception of the shot-put and 220-yard dash, every record of last year has been lowered. San

Diego won first and second in the 440, and first in pole vault and 220-yard hurdles, when the two teams last met. Now it seems Santa Ana has shifted Adkinson to the 440, which he runs remarkably well, and should give Dievendorff, the little San Diego whiz, some race. Both boys are capable of 52 seconds, and a great race is expected.

In the pole vault and low hurdles, Capt. West was defeated at San Diego, but as he has been rapidly coming to the front in these events, much hope is held by local enthusiasts that he can annex five points in each of these events. In the 880, Adkinson and Keen are sure, as they are in the mile. In the 50 and 100 yard dashes, Waite, San Diego's star, has dropped from school, leaving a fighting chance for Robinson to beat

Dana in these two races. "Shorty" Smith is ready to make up for his weak early season. Last Saturday he ran an excellent 220. Shortly afterward he ran a winning lap in the relay in remarkably fast time.

The discus throw and high jump should be banner events, with Clapp and West pitted against Walters and Davidson. All of these men are good for 100 feet or thereabouts. In the high jump, "Lengthy" Anderson should win easily, but Krames and Jensen of San Diego are good men and should clear the bar at 5 feet 6 inches. Simon of Santa Ana is consistent also at this height. The boys of San Diego High are the champions of San Diego county, as are the local boys of Orange county, and all Santa Ana and Orange county should support the team.

## News From Santa Ana Schools

Reported by Students

### SPURGEON SCHOOL

[By Adelaide Keefe]  
Track Meet

The boys of the fifth grade in the Roosevelt and Spurgeon Schools held a track meet at the Spurgeon school grounds on Monday, March 17th. The points were 9 to 18 in favor of the Spurgeon boys.

The events with their results were: Broad Jump—First, Geo. Wilson; second, Dee Stanbaugh; third, Laurie Riemann. Fifty Yard Dash—First, Cecil Birch; second, Howard Johnson; third, Dee Stanbaugh. High Jump—First, Geo. Wilson, 3 ft. 9 in.; second, Charles Miller; third, Dee Stanbaugh.

—Every sack of our high patent Flour, Cereals and Health-bran contains Silver Spoon premium coupon, Olive Milling Co.

### HOW TO WIN BALL GAMES

As Willie Keeler once advised:

"Hit 'em where they ain't."

Not so easy to do, but you have the edge when you use the Spalding Cork Center Ball. It gets that old "zip" to a hit that often means a few feet further in distance and— "Safe!"

The Spalding Official National League Cork Center Ball, price \$1.25, is the official ball of the world series for twenty years.

### LINCOLN SCHOOL

[By Nettie Crutchfield]

The great colleges in the United States are discussing the question of the food supply of the world; at Lincoln they are not discussing but are getting busy. From the tiny tots in the kindergarten to the dignified eighth graders, all are exerting every energy to avert the awful calamity that is hanging over the cities. Gardens are laid out in near little plots and now rows of green are to be seen above the ground. All that is needed is a soft, gentle rain to complete the work done by the children.

In athletics the students are doing splendidly. The boys won the baseball game held with Spurgeon two weeks ago, and they expect to carry off the honors in the game to be played at Huntington Beach Saturday. The boys have been having try-outs for the different teams in the Triangle League Meet. Though competition is very strong, the boys are in high spirits and very hopeful.

The eighth grade students have adopted the Student Body Government and though it has been in operation only this week the teacher is delighted with the results obtained. The officers are as follows: President, Harry Adams; Secretary, Mary Moreno; Marshal, George Despart.

This class has also taken up debating and it is expected that expert debaters will be developed for the High School.

### JEFFERSON SCHOOL

[By Wilbur Harper]

Professor Beswick, principal of the Jefferson school, states that he is very proud of a number of Catalina cherry trees which he has raised from seed and planted along the curb, in front of the school. These trees, he claims, are cleaner and more beautiful than many other shade trees, because they retain their leaves nearly the whole year round.

The ground around the walnut trees, which surrounds the building, has been plowed, and in this earth the pupils are planting their gardens. All grades are interested. However, the

seventh and eighth grades are occupying the most ground. The pupils have been a little late in getting their gardens started, but, nevertheless, they expect to have vegetables very soon.

The Jefferson school is very proud of the fact that it is one of the three schools to compete in the final standing broad jump, conducted by the Triangle League.

## STATE MONEY FOR SCHOOLS OF THIS COUNTY ARRIVES

The funds from the state treasury apportioned to Orange county schools has arrived. There is \$46,230 of it, and it is in the vaults of the First National bank.

This is the money over which a dispute arose between the county treasurer and county auditor. Auditor Lester announced the receipt of this money on St. Patrick's Day. He notified Treasurer Joplin that the money was here and in the county treasury.

Treasurer Joplin differed with him. He made a few inquiries himself and learned that the money had been allotted to Orange county, as per announcement, and that he would get it in due season.

This morning the First National bank notified the treasurer's office that the sum indicated had been received. And now everything is serene.

### CHRISTIANITY TAKEN

#### TO BLOND ESKIMOS

DAWSON, Y. T., March 21.—Christianity has been carried to the blond Eskimos. Among this northernmost and remotest of the white peoples, whose existence, even, was unknown to the civilized world until reported by the explorer, Vilhjalm Stefansson, a year ago, the Reverend Fry, a missionary of the church of England, is now at work. The fact is reported by Sergeant Dempster of the Canadian Northwest mounted police, just returned from Herschel island.

Sergeant Dempster relates that the missionary left for Lambert, in Union and Delta straits, late last summer, accompanied by four McKenzie Delta Eskimos. His news is the first brought from the Arctic coast since then.

### AMUSEMENTS

It is very good news this, that "The Merry Widow," the queen of Viennese operettas, will be the attraction at the Grand Opera House Tuesday, March 25. Henry W. Savage will offer a splendid new production of the famous piece, and states in advance that this version will be as perfect as human ingenuity can make it.

Mr. Savage is known as an absolutely reliable man, one who has always kept faith with theatergoers no matter what the cost to himself. But it is just that Mr. Savage should spare no expense in this undertaking. He owes it to "The Merry Widow" for all Canada and America owe the great operetta much, indeed.

Time was when we growled and growled about our musical menu. The same old thing over and over again was getting on our nerves. It was musical comedy what-not for breakfast, dinner and supper, and the same the next day. And such tiresome things were hidden behind the term. Jingles and patter, jingles and door-step comedy. It was beyond patience. Then "The Merry Widow" came out and the universe took it to the very soul and worshipped it.

A stirring love story, and music that belonged to the story. It seemed years since we had grown up, knew what we wanted, and wanted what we knew we wanted, and just as it seemed we were passing into an unreciprocated old age, it came. "The Merry Widow" introduced the Viennese operetta to us and since then we have had many others from the same school of librettists and composers. Many have been pleasing, more have failed utterly; but then the standard was set by "The Merry Widow," and after all there is only one such.

Of all the American managers, Mr. Savage may be relied upon perfectly to maintain the class of this operetta whenever he produces it, and that will be for years to come. This time he has assembled most of the original players. Many of them appeared during the original New York run, and others have been associated with subsequent tours. Of course there will be a new generation of Maxim girls. Most of the old ones have graduated into important roles as did the original members of the Florida Sextette.

#### Date Set for "Burglars at Brighton"

On the nights of Friday and Saturday, March 28 and 29, will be presented the next play by local talent, "Burglars at Brighton." As has always been the rule with Herman Reuter's plays the curtains for both performances will go up promptly at the time set. On Friday night 8:15 will be the time of "ringing up," while on Saturday night it will be 8:30. Many people will have necessary shopping to do on Saturday evening and the late curtain will give them ample time to attend to it.

"Burglars at Brighton" will prove to be by far the funniest farce ever given in Santa Ana by amateurs, not excepting "Going Some." Things commence to happen the minute the play begins and from then on absurd complications and delightfully ridiculous scenes follow one another with bewildering rapidity.

Poor, harassed Septimus Pontifex, who gets out of one scrape only to fall into another, is played by George West. Then there is Petunia Perkins, played by Florence Thayer McGray. Sergeant Sharples, done by Royce Lantz. Royce's work as the wise detective will be positively side-splitting. Herman Reuter is James, the English manservant. Clare Buchanan plays Diggle, who helps Pontifex get into most of his troubles. J. B. O'Neil, Hattie Powers, Grace Holt, Edith Ensign and Franklin Grouard, all have splendid parts and take full advantage of their lines to be at all times entertainingly funny and interesting.

The prices set for "Burglars at Brighton" are 25, 35 and 50 cents. Seats are now on sale at Rowley's Drug Store. From all indications reservations should be made promptly, as the choicest locations are being taken rapidly. Bear the dates in mind—Friday and Saturday, March 28 and 29.

## Children Cry for Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

## PROGRESSIVES WILL MAKE GAINS

Many In House Will Line Up  
Them; Some G. O. P. Men of  
Progressive Type Worried

WASHINGTON, March 21.—At least sixteen, and perhaps twenty-eight, members of the lower house will line up with the Progressive forces at the next session. The Progressives will meet a short time before the extra session opens and formulate plans, and the names of sixteen are given as certain to enter into the conference. A dozen more, according to the Progressive party leaders, are likely to go into the Progressive party conferences of the house, either at the outset or in a short time. The sixteen known Progressives are:

Bryan and Falconer of Washington, Chandler of New York, Hinebaugh, Thompson and Copley of Illinois, Murdock of Kansas, Stephens, Bell and Nolan of California, and six—Rupley, Temple, Kelly, Morin, Walters and Lewis of Pennsylvania.

To these may be added Young and Heigerson of North Dakota, Lafferty and Smet of Oregon, Treadway, Winslow and Rodgers of Massachusetts, Anderson, Davis and Lindberg of Minnesota and Ainey and Porter of Pennsylvania.

A number of the men in the House, of the Progressive Republican type, are considerably stirred over the situation. If they remain in the Republican party the Progressives will bring out candidates against them in the congressional campaign next year. Several who sat on the fence for a long time have gone over completely to the Progressive party, whose militant leaders already assert the Progressive party membership in the House is going to show a large gain after the next election.

## RENTS BUGGY AND DOESN'T COME BACK

He didn't leave his name and address when he called at the Pony Stables and hired a horse and buggy, but he drove off with just as much aplomb as if his patronymic denomination had been John Dough Rockefeller. Even if this wasn't his true name, according to latest reports he has gone almost as far as the Rockefeller coin is reported to reach, for he hasn't been seen since he started from the stables last night. Complaint has been made to the police, and the proprietor of the establishment has also joined in the search. And to help make the search more effective, said proprietor being C. A. Williams, he has been deputized as a genuine deputy sheriff by Sheriff Rudbeck.

### Best for Skin Diseases

Nearly every skin disease yields quickly and permanently to Bucklen's Arnica Salve, and nothing is better for burns or bruises. Soothe and heal. John Deye, of Gladwin, Mich., says, after suffering twelve years with skin ailments, and spending \$400 in doctors' bills, Bucklen's Arnica Salve cured him. It will help you only one. Recommended by all druggists. Advertisement.

Dear Sir:

Let's get that question settled! The question you and we are so much interested in—who's going to make your clothes?

From every point of view, our clothes are as good as the best, you can see them every day and everywhere parading around on the shoulders of the best-dressed men in Santa Ana.

Get that question of clothes settled now and settled right—let us make them in Santa Ana.

Yours truly,

**LUTZ &  
COMPANY**

120 West Fourth St.

### A PERSISTENT ABBE.

Romance of Mountain Road Building  
In the Pyrenees.

G. L. Freeston in "The Passes of the Pyrenees" quotes the story of Felix Armand, cure of St. Martin-Lys, who pierced a road through the magnificent Gorge de Pierre-Lys in order to bring prosperity to his poverty stricken village. The cure himself marked out the route, "hanging like a spider from the end of a rope over the awful precipices of the Pierre-Lys. After five years' incessant toil the workmen reached the huge mass of rock which blocks the gorge near Belvianes." Still he bravely incited his parishioners to persevere until in 1781 the tunnel was pierced which still bears the name of "Le Trou du Cure." The revolution stopped the work, but after the reign of terror the cure set to work anew.

"A pity the man should be a priest," said Napoleon when he heard of Armand's heroic efforts. "I would have made him a general in my army." The cure's personal bravery was great. Once when a mine was about to explode a muleteer was seen riding round a corner. The priest instantly sprang out and extinguished a slow match just at its last inch. Armand was made an abbe, but he declined to leave his flock and was buried at St. Martin-Lys with the cross of the Legion of Honor on his breast.

### LEGENDS ABOUT DEW.

Curious Beliefs as to Its Origin and  
Varied Powers.

In many places dew is looked upon as tears of the angels and of the souls in purgatory shed on account of the sins of human beings upon earth, and dew is collected to be used to cure certain diseases, especially those of the eyes, freckles, baldness, cramps, open wounds and cuts, rheumatism, skin diseases, burns, etc.

The virtues of dew as a beauty wash are also well known, remarks the Journal of Religious Psychology. One legend tells how by licking the dew off the plants on a certain morning when all the birds drink it one can learn their language.

Another folk belief is that "naked or with only their shirts on the witches at the time of the new moon collect the dew from the grass with bark sieves. By this means they deprive of their milk the cows that have been pastured on the grass, and as soon as their sieves are full of dew they know that their pots at home are full of milk.

The Polish people of Wronowicz call the dew on which the birds are supposed to feed patasle micko—i. e., "birds' milk."

### An Example of Daring.

During the hottest fighting in the Shipka pass the leading battalion of the Russian General Dragomiroff's division recoiled before a hailstorm of Turkish bullets. The general was a very stout person and had the appearance of a peaceful German professor. But when he saw his men recoil he dismounted and walked slowly to and fro along a ridge swept by the enemy's bullets. He was a hundred yards in advance of the men, occupying the position they had abandoned. After staying there for awhile without being touched he shouted back to the battalion: "What are you doing, you geese? Did you think there was danger here? I don't find any!" The men responded with a roar of cheers, doubled up to him and charged so fiercely that the Turks were forced to retreat.

### An Unexpected Conclusion.

A mistress was summoned in a London court for having dismissed a servant girl without due notice. The defendant pleaded that the servant was so voracious that she could not keep her in food. The judge after hearing the evidence inquired of the defendant: "Will four and sixpence a week keep her?" "Not nearly," replied the lady. "Will 6 shillings?" continued the judge. "No; that would not keep her," replied the defendant, feeling that in the judge's hands her case was gaining strength. "Now take care," said the judge, "and answer cautiously. Will 7 shillings?" "It takes 8," said the defendant. "Very well," said the judge. "Then you must pay her 8 shillings a week as board wages for one month."—London Mail.

### Good Intentions.

"I do my best," said Mr. Clumzie, "to scatter sunshine and encourage a spirit of patience and cheerfulness, but some how I always go wrong."

"What has happened?" "I met a friend who looked a little gloomy, so I said to him: 'Cheer up! Nothing is as bad as it might be. Every cloud has a silver lining, and you only make trouble worse by thinking about it.'"

"Didn't he respond?" "No. He simply said: 'Don't bother me. I've got the toothache.'"—Washington Star.

### Heredity.

"Cute little cuss," said Slabslides, gazing at Hawkins' baby, "but why the dickens do you suppose he's trying to get his toes into his mouth all the time?"

"Takes after me," said Hawkins. "He's trying to make both ends meet,"—Harper's.

### Explaining It.

"There is such a queer smell after the automobiles here besides the gasoline."

"I guess it must come from the road scorching."—Exchange.

## STANTON SHOWS BIG BUILDING PROGRESS

Upbuilding Activities in the Live  
Neighboring Town and New  
Improvements

STANTON, March 21.—H. A. Riley's new home on Court Ave., between Main and Clair streets, is nearing completion; also the new home of Wm. Mar in the same locality. Mr. Riley's house is 28x40 and consists of five rooms, bath, a 7½-foot front porch, constructed of cement, and extending entirely across the front of the building, and a screen porch in the rear. The foundation is of cement and brick. This house is modern in every respect and when completed will be a home that Mr. Riley and family can well be proud of.

The Martin bungalow is not quite as large as the Riley house, but it also is well arranged and is modern in every particular. Martin & Son are the contractors and builders, and they are doing excellent work that should recommend them to the public as reliable builders.

The P. E. Railway company has made a vast improvement in its station grounds here by leveling same and adding a good supply of clean, crushed rock, which gives a much better appearance to things and will help to keep down the dust in dry weather and will protect travelers from mud in wet weather. The company has also staked off ground presumably for a new passenger waiting station, for all of which Stanton people are very thankful.

## READY FOR WORK ON CONCRETE PIER

HUNTINGTON BEACH, March 21.—The funeral of Mrs. W. E. Tarbox of this city, who died here Wednesday, occurred yesterday and was in charge of the local lodge of the Order of the Eastern Star. Mrs. Tarbox came here last September from Colorado, in delicate health. She was 36 years of age, and leave a family of four children, besides her husband, W. E. Tarbox, owner of the Huntington Beach Hardware Company.

Work on the reinforced concrete pier will begin on the 25th inst., and it will, according to the contractors, require two hundred days to complete the structure. Fifty men will be employed during the continuance of the work and will probably reside here with their families.

The local Tent City Company is considering the purchase of two hundred gas stoves to be used in its tents for cooking purposes this summer and the directors are strongly inclined to make the purchase. Heretofore oil has been used.

## GAS SOURNESS AND INDIGESTION VANISH

As Soon as "Pape's Diapepsin" Gets in Stomach All  
Distress is Gone

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and cruetate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment Diapepsin comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.—Advertisement.

### THEY ALL LAUGHED

Here is a story Frank Jarrel, publicity man for the Santa Fe, is telling on Governor Hodges:

"The first time I saw the governor he was only state senator," says Jarrel. "He was called to Leavenworth to inspect the penitentiary, and I had to go down to write it up—met the governor for the first time. The warden, by way of giving a special treat to the prisoners, had collected 700 or 800 of them in the assembly hall, and in an offhand way requested the senator to address them. Mr. Hodges wasn't as proficient in politics as he is now. He was plainly somewhat embarrassed and hesitated a minute. 'My fellow citizens—' he began. 'That didn't sound right, and he commenced again. 'My fellow convicts—' By that time the prisoners were smiling. Mr. Hodges dropped his formal manner and smiled too. 'Well, I didn't know exactly how to address you, boys,' he amended, 'but I'm mighty glad to see so many of you here.'"

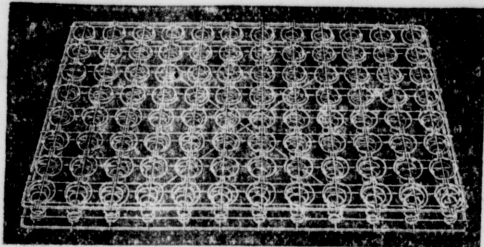

—"Mix-Fed" contains cracked corn, rolled barley, wheat and oat shorts, and costs but \$1.35 for an 80-pound full weight sack. Olive Mills.

# NOBODY CAN TELL IF YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

Druggist Says When Mixed  
With Sulphur Prevents Dandruff and Falling Hair

Common garden sage brewed into a heavy tea with sulphur and alcohol added, then left to age and carefully filtered will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching, and falling hair.

Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of mess. Some druggists make their own, but

it isn't nearly so nice as "Wyeth's."

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur no one can tell, because it does it so naturally; so evenly. You just dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. Do this tonight and by morning all gray hairs have disappeared, after another application or two it will be restored to its natural color and be even more glossy, soft and luxuriant than ever.

Local druggists say they are selling lots of "Wyeth's Sage and Sulphur," it surely helps folks appear years younger. Rowley Drug Co.—Advertisement.

Beautiful choruses in Rose Maiden.

### BLIND FIVE YEARS, NOW SEES

Members of the household of James Johnson, an aged tailor of Woodbury, N. J., were started to hear him exclaim suddenly: "I can see." With a wild cry of joy he leaped from a chair, in which he had been sitting in apparent deep thought, and for several minutes danced gleefully about the room. The delight of the tailor, who is 70 years old, was shared by the members of his family, for he was growing despondent over the loss of his sight.

He was suddenly stricken blind five years ago and continual medical treatment had failed to do him any good. Johnson had often said that some day he would see, and his relatives humored him in his hope.

### SHARP WITNESS

A humorous man being subpoenaed as a witness on a trial for an assault, one of the counsel, who was notorious for brow-beating witnesses, asked him what distance he was from the parties when the assault happened; he answered: "Just four feet five inches and a half." "How come you to be so exact?" said the counsel. "Because I expected some fool or other would ask me," said he, "and so I measured it."
